

## El Camino Fall Registrations Hit Record; More Expected

Registration for the fall semester closed last Friday at El Camino College with 11,400 day and evening students enrolled to date, according to Merl F. Sloan, director of student personnel. The director indicated that an additional 1600 students are expected to enroll as late registrants on the opening day of school Tuesday, Sept. 10. This will bring the total enrollment to a new record high of over 13,000.

### Late Signups

Late registration hours have been set from 1:00 to 3:00 p.m. and 5:30 to 7:30 p.m. in the student activities building. No enrollments will be accepted later.

To qualify for admission to El Camino College, an applicant either must be at least 18 years of age or a high school graduate.

He must be a legal resident of the El Camino Col-

lege District or the Los Angeles Contract Area.

Applicants are expected to forward transcripts of previous high school and college work to the college registration office prior to registering.

All students under 21 years of age, regardless of academic load, must present evidence of poliomyelitis immunization before they may register.

Students 21 years of age or older must comply only if they carry more than 10 hours of instruction per week.

## L.A. Schools Offer Part Time Jobs as Playground Director

Attention, college students, parents, adults, here is an excellent opportunity for a part time job working with young boys and girls in the elementary schools.

The Los Angeles City elementary schools this fall will need noon duty playground directors to supervise children in cafeterias, outside eating areas, and on school playgrounds.

### Pay-Rate

Successful applicants will be hired at the rate of \$2.16 per hour.

The number of noon duty playground directors at each school will vary depending on enrollment, with smaller schools being allowed three hours assistance per day and the larger schools up to seven-hours assistance per day.

Applicants must be a high school graduate, U.S. citizen, have good health and physical ability, and not be more than 66 years old by July, 1964.

### Apply Locally

If you are interested, you are asked to apply for these positions with principals at the local elementary schools. Principals will interview applicants on Sept. 4, 5, 6, 10, 11, 12, and 13 between the hours of 8:30 a.m. and 3:30 p.m.

The new position according to associate superintendent Robert J. Purdy was approved by the City Board of Education for the districts 425 elementary schools to relieve classroom teachers of noontime responsibilities.

Purdy said the successful applicants will go through regular personnel processing procedures including fingerprinting as required by state law.
