With thousands of young a parked car. sters back in school again for the fall term, it is an appropriate time to remind drivers to be constantly on the alert for split-second emergencies - particularly near schoolgrounds.

Driving slowly and carefully many times is not enough. Even the slowest speed may kill or maim a child who dashes into For us, the program has the street from behind paid high dividends.

We at Pacific Telephone are particularly proud of what we call "Defensive Driving." In the widely hailed program, all employees must attend a three-day school and pass a test in "defensive driving" before they are allowed to operate a company vehicle.

In the same way, a sudden stop because you were alert and prepared may some day pay priceless dividends both for yourself and for an excited, frightened

Pacific Telephone

The front pages of your phone book contain information to help you get the most from your telephone service. Why not become familiar with them?

If your youngsters at college don't write home as often as you'd like, here's one way to keep in touch. Why not arrange a time for a weekly telephone call? Remember. nothing says "you" like your voice.

Here's an inexpensive and practical item you'll want to know about. It's a separate, personal listing in the telephone directory for various members of your household. It's particularly helpful if their last name is different from yours. Each additional name sted in the directory is only 35¢ a month. For information, call our business office.

One gift that's sure to work many wonders is a contribution to the United Community Fund. Since the proceeds are shared by most of our voluntary health and welfare agencies, your donation enables them to give a helping hand to children, teenagers and adults in all walks of life.
