

A CONCRETE SLAB weighing 320 tons was raised Thursday morning to form the roof of a 30,000 square foot, two story office building designed by Young and Remington, L.A. Young, architects, of Redondo Beach. The 9-

inch-thick slab was lifted by hydraulic jacks on concrete columns at the rate of two inches per minute. The building at Hawthorne and Lomita Blvds. is expected to be completed by Nov. 30. —PRESS photo

Symphony Enters Its 14th Season

Rehearsals are in full swing with the Beach Cities Symphony and composer-director Louis Palange entering their 14th season. The first concert is scheduled for Oct. 25, and is a real eye-opener in classic musical tradition, featuring the Beethoven monumental 3rd symphony (Eroica) and Schumann's Concerto in A Minor for piano and orchestra.

Also beginning a new term of office are the board members of the Beach Cities Symphony Association with Dr. George C. Andersen of Hermosa Beach as president.

Though jointly sponsored by the Los Angeles County Board of Supervisors through the music commission, and a grant from the Recording Industries Trust Fund of the American Fed-

eration of Musicians, Local 47, beach residents are urged to subscribe to this cultural community asset. Individual membership are five dollars and patronships (entire families or a business) \$25. Concert dates are Oct. 25, Nov. 29, Feb. 11, and April 24. Orchestra Manager Jeanne Jefferson may be called at FRontier 5-2670.

Lions Sponsor White Cane Days October 4 and 5

Friday and Saturday, Oct. 4 and 5, are White Cane Days. Sponsored by your local Lions Club, these two days each year are days to give your contribution to aid the sightless and sight-handicapped. Funds collected by Lions members selling symbolic miniature White Canes are spent for much-needed research, training, glasses, Braille equipment, therapy, clinics and, of course seeing-eye dogs. White Cane Days are conducted entirely with volunteer efforts of world-wide Lions Clubs. Theme of the 1963 campaign is: "They Look To Lions When Darkness Strikes—Give All You Can Now On White Cane Days!"

It is too little we can do for the blind and sight-handicapped in view of their loss. Our Lions are to be commended for time taken from business and job to do what they can do to help someone who may well help someone to see again!
