SWINGING DOWN A LANE

It seems to me that we have waited long enough for just what has taken place over at Gable House in Torrance. A new bowling clinic started just for boys and girls 8 to 18 years of age.

This is something every boy and girl should take advantage of, that is, all of you who want to learn how to bowl properly. It makes me feel so good to see a real interest taken in junior bowlers, there are so many of these boys and girls who like to bowl but never had the opportunity to be taught in the right way in the beginning.

To head this clinic will be two outstanding men in the bowling field, Harold Asplund of the Brunswick Advisory Staff and Ron Ridgers, Junior Bowling Coach of Gable House Bowl.

The gals from Palos Verdes Bowl who put on the 600 club tournament last Saturday, are real pleased with themselves and rightfully so, the tourney proved quite exciting. These scores are with hdp. in first place with a 664,

Gwendolyn Grant, \$75.00 richer, 2nd pl. Beverly Meek, 653, \$50.00, 3rd pl. Mable Tilberg 652, \$27.00, 4th pl. Helen Starkey 648, \$22.00. Fourteen places paid off, Jeanne Southard received her entry fee back by just making a 601 series. The lucky lady to take home the trophy for high scratch game was Mary Shortridge with a nice 236, and Beverly Meek is proudly wearing her 600 bowling shirt she won for her 201, 213, 191 total 605 scratch series. Congratulations to all of you who took part in this tournament.

The winter leagues have not started to roll in full force as yet, next week I hope to have some high series and scores for you. So let's talk about the National Fifty and Over Bowling Clubs' trip to San Diego Sunday, Sept. 22nd. The bus Bowl about 9 a.m. 48 members of the club boarded the bus with determination in their hearts, and concentration running through their minds, such as keep shoulders straight, follow through, do not rush the foul line and all such things that run through a person's mind when they have a match game tournament to bowl. The bus driver took the coast route which is always a beautiful trip, when

we arrived at our destination, Clairmont Bowl, Ransom Brown, President, and Hazel Davis, Sec. of the Everlasting 39ers League and many of our opponents were waiting to greet us, what a friendly group of people they are. This was our third get-together.

Before we started to bowl I had the pleasure of introducing Nellie Kershner, Honorary Member of the Santa Monica Branch of the N.F.A.O.B.C. Nellie started to bowl when she was 65 years of age, she now proudly tells everyone she is 87 years young and carries an average of 126.

Another honor we had to

bestow was the 1963 annual JOE BOWLER AWARD, given by the N.F.A.O.B.C. to the person most deserving to receive this Plaque. After much research and consideration, the man to have this honor was Bill Best, from Santa Anita Lanes. We congratulate you, Bill, you are well deserving of it.

Bill's mother and father were there. They must be in their late sixties, and they were most proud of their son and rightfully so. This is a Copyrighted feature of the National Fifty and Over Bowling Club, along with the Jane Bowler Award. These awards will

be given once each year. We just cannot seem to beat the Everlasting Thirty Niners in games won but we do manage to bring home most of the trophies. Wanda Kowalczyk won the high game with a 230, Nelson Hopkins 237, Ann De-Francisco won ladies' high series with a 614 and Quentin Kurch from S.D. won for the men with a 622. Dr. Penn and his staff served a delicious buffet luncheon for all of us. May we take this opportunity to thank these friends for a most enjoyable afternoon. (They cannot wait to bowl us again so the time has been set for February 9th, 1964.

VISIT ICE FOLLIES

September business meeting of the Torrance Lioness Club was held at the home of Mrs. Rollin Smith, 2682 Harbor Sight Dr., Rolling Hills, Tuesday, Sept. 3. Mrs. Cecil Powell presided.

Plans were formulated for a progressive dinner to be held in Oct. Committee members are: Mmes. William King, Rollin Smith, Jack Smith and John Ritchie.

The September social was an evening at the Ice Follies Sunday, November business meeting will be at the home of Mrs. Fred Boren, 1318 Elm Ave.

New Division At Local Plant

The formation of a new operating division to handle its line of vacuum and controlled atmosphere equipment was announced today by General Technology Corporation. To be called the Vacuum Products Division, the new unit will combine the activities of the former Royal Research Division at Hayward, California, and the Space Simulation Systems Group at Torrance. The Royal Research segment was acquired earlier this year from Royal Industries, Inc.

Production of vacuum components, pumping systems and controlled atmosphere equipment will remain at the Hayward facility with space simulation research, development and manufacturing centered at the Torrance site.
