Mrs. Brizzolara is in charge of new groups.

Meetings were held for group leaders Friday, Oct. 11, at the Pen and Quill Hotel, all day Saturday at the home of Mrs. Don Head of North Kenmore St., Los Angeles; at the home of Mrs. Ralph Calvin, Catherine Road, Altadena, Saturday night, and at the Pen and Quill Hotel Sunday afternoon from 1 to 4 p.m.

Among topics discussed were current problems of nursing mothers and the 1964 La Leche League International convention to be held in Chicago next June.

In October, 1956, in Franklin Park, Ill., LLL held its first meeting shortly after two of the founding members had met at a family-type picnic, complete with nursing babies. Deploring the fact that many mothers who wanted to nurse their babies did not succeed for want of help, they began the league. There are 17 groups in the Chicago area and at present are nine in Los Angeles. They give mothers a chance to talk with other nursing or expectant mothers, share their experiences and be on the giving or receiving end of advance on the problems that might come up.

Chairman of the Torrance chapter is Mrs. Sherman Nathanson.

**CREDIT
MANAGER**

**Funny how he always
asks for a bank reference.**

To someone who doesn't know you, there is no better reference than your banker. Because credit is his business, a banker is in the best position to vouch for your dependability. That's why a word from him can often smooth the way for any financial transaction—whether you're

buying a car, building a home, starting a business or opening a charge account at the corner store. One of the best ways to get a bank reference is to have a savings account. Why not open one today?
