Dear Citizen:  
For the past seven years it has been my pleasure to serve the Torrance Police Officers Association as our annual show and dance Chairman. During these past seven years our show and dance has continued to grow with your increasing support and in growing we have been able through the proceeds from this annual event to support more youth activities in Torrance. Such as Little League, Pony League, Babe Ruth League,

Pop Warner Football, and Scouting of all types. We have always been in need of your support but if ever we needed support or a helping hand it was this year.  
With the events that have occurred these past few months in our city and the adverse publicity our Police Department has been exposed to if ever we needed a helping hand, a kind word, a pat on the back, or a sign of support it was now. Your response to our show and dance served as that helping hand or show of support and words cannot express the lift or morale factor this has given all of us.  
You, the public have nev-

er let us down and in the face of the criticism heaped upon our department we have done our best to hold our heads high in the finest tradition of law enforcement and prove to one and all that we, as a police department, are worthy of your trust and support.  
Thank you again for your support and rest assured that in addition to being deeply appreciative of your support and confidence we will not fail you, and will continue to serve you, giving you our very best at all times.  
Don M. Hartel  
Chairman Police Show and Dance
