

Local Moose Membership Honors Jr. Past President

Moose lodges in the South Central district of the California Moose Association joined together on Tuesday, November 19, to honor the association's junior past president, George R. Reilly, at the Long Beach Moose Home, 1200 Atlantic Avenue.

A class of 101 men was enrolled into the family fraternity in honor of Reilly, chairman of the Board of Equalization of the State of California. Long Beach Moose Lodge Ritual Team presented the ritual after introductions were given to the dignitaries by Pilgrim Member Arley Prowant, master of ceremonies for the night.

Also present was Ed Templeman, governor of San Francisco Moose Lodge.

Lane Heads News Bureau

Edward J. Laue, journalism major from Aviation High School, serves this semester as manager of the El Camino College press bureau, one of the three major posts held by journalism students on the campus.

Laue brings with him considerable experience in the field of journalism. He served as sports editor, managing editor and editor-in-chief of the Jet Stream, student newspaper at Aviation.

He also served as vice president of the local Aviation chapter of Quill and Scroll, honorary writing society for high school journalists.

In other activities, Laue held the office of student body president and participated on last year's CIF championship baseball team at Aviation.

As a junior, in 1961, he rated honorable mention in sports writing at the annual El Camino Press Day for high school journalists. Later that year, Laue received a Quill and Scroll scholarship to a summer session at the University of Southern California.

Improvements Set For Lomita Street

Improvement of a portion of Walnut Street between City of Torrance and a point 330 feet south of 241st Street was authorized today by the Board of Supervisors.

Supervisor Burton W. Chace said the work will be scheduled by the County Road Department.

The improvement, he said, will include widening the street on the easterly side to join with new curbs and gutters constructed by adjacent property owners under County permit and specifications.

Main function of the press bureau is to distribute news of campus activities to more than 20 surrounding local newspapers.

As Press Bureau manager, Laue has seven students working with him. They are Jerry Corbet, Gardena, a graduate of Hollywood High School; Ray Duerloo, Torrance; Gerald Fabulich, Inglewood, a graduate of Dorsey High School; Crales Heron, from Mira Costa High School in Manhattan Beach; Jim Kaps, a graduate of North High School in Torrance; Mike Morrow, Inglewood, a graduate of Inglewood High School; and Bill Rustrum, a North High School graduate.
