**LOCAL HOCKEY TEAM SCORES
9-0 WIN OVER WEST COVINA**

The Olympic RedWings RedWings. Eddie Feist scored an unscheduled game Saturday evening, Dec. 21, when they met the West Covina Pee Wees at the Olympic Ice Arena on Western Avenue. In less than four minutes, Steve Dorney scored for the RedWings, assisted by Mike Anderson quickly followed by Laine Genest shooting unassisted from the opponents' blue line slamming in the second goal. By the end of the first period, Mike Anderson had knocked one into the West Covina net, assisted by Bobby Burnett while Steve Dorney claimed another goal, receiving from Mike Anderson and Eddie Feist.

Courageous (there's no other word for it) checking by Terry Burnett, who figures the bigger they are the harder they fall, helped keep the road open for his teammates and Mike McGiffin switching from defense to wing position for this game got in the thick of things.

Randy Young, assisted by Mike Anderson from Eddie Feist, unintentionally deked the visiting goalie with a shot that just glided along between his blades and settled in the net. With an assist from Mike Anderson, Laine Genest skated wide and drove in a beautiful shot, making it six for the

RedWings. Eddie Feist scored two in a row, one assisted by Mike Anderson; the other by Laine Genest. The final goal came when Steve Dorney passed the puck to Mike Anderson who neatly slapped it in.

Olympic goaltender Frank Robinson could have played this one from the stands. His team allowed the visitors only two shots on the net. Coach John Watson stated, "Inspired passing and aggressive checking were the prime factors in this 9 to 0 win over West Covina."

Coaches Pete Grant and John Watson plan daily 6 a.m. practice sessions with the Pee Wees in preparation for the big game Dec. 27 when they meet the Humber Valley Pee Wees from Toronto, Canada at the Western Avenue Arena. Welcoming ceremonies begin at 5:30 p.m.

One of the events well worth the price of admission for this game will be the skating of Peggy Fleming, winner of the Pacific Coast Senior Ladies Championship in 1962. This exceptional performer holds a Gold Medal and will try out for the Championship after the first of the year with her eyes on the Olympics. She is a member of the Arctic Blades Figure-Skating and hails from Pasadena.

Co-eds Vie in Competition
Sixty-four North High coeds recently took the test which will make one of them eligible to compete further for the Betty Crocker Home-maker of Tomorrow award; according to Mary Montgomery, senior counselor.

The test was a written examination concerned with most aspects of homemaking. It included budgeting, food preparation, sewing knowledge, child care, and an essay question in which the girls defined maturity.

The winner from North will be announced near the end of the semester and will then enter into district competition.
