## STRONG AS THE GREAT WEST ITSELF

From beneath the surging tides of the Pacific, from under the rugged mountains and blazing deserts of the West, strong men wrest oil. Almost seven billion barrels of oil reserves—two thousand gallons of gasoline for every car in the nation—these are among the mighty resources that make the great West grow.

The \$668,000,000 resources of Great Western Savings are built on the solid foundation of the West's own strength and growth. They stand behind your insured savings at Great Western,

make them *keep* growing. Current annual rate of 4.85% is compounded quarterly. When held for a year, funds earn at the rate of 4.93%—the highest prevailing.

You'll find fast, friendly service at your neighborhood office of Great Western Savings. If you prefer the convenience of our easy Save-by-Mail plan (we pay postage both ways) simply write or phone.
