### Lesson for Sunday on View of Man

The materialistic view of man contrasted with the perfectibility of man in Christ will be the theme at Christian Science churches this Sunday. The subject is "Adam and Fallen Man."

The golden text is: "As in Adam all die, even so in Christ shall all be made alive" (1 Cor. 15:22).

References from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include: "Mortals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of being and gain some proper sense of the infinite,—in order that sin and Mortality may be put off."

### Residents Circulate Petition

A petition is being circulated requesting the County Board of Supervisors annex Tract No. 27074 to the Dolores Lighting District.

The tract includes Javelin Street from Dolores Street to Marbella Avenue, Catskill Avenue and Marbella Avenue south of Javelin Street and Dolores Street from 200 feet south of Javelin Street.

Before the board may consider the proposed annexation the petition must be signed by property owners representing 60 per cent or more of the assessed valuation of all property in the tract, according to Supervisor Kenneth Hahn. Mrs. Robert L. Rasmussen of 21017 Marbella Ave. is circulating the petition.

If the tract is annexed to the lighting district following review of the petition and a public hearing, the Southern California Edison Co. will install nine 7,000 lumen mercury vapor lights in the tract after the annexation becomes effective on July 1, 1966.

### Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

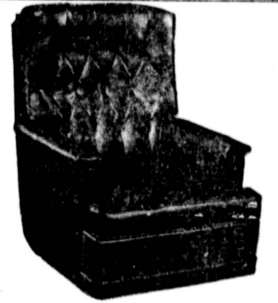

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
