

**STOCK CHECK . . .** John Prescott, a teacher at Adams School, and Mark Hutchins, a seventh grade student, examine the stock market reports in a newspaper as part of a classroom project which Prescott is now conducting. The stock market study is part of a project which is designed to improve students' knowledge of economics and help develop study skills.

**DOLLY DERBY . . .** Betty Wylie, a handicapped worker in Goodwill Industries doll department, accepts dolls from Blue Bird Girls for the Dolly Derby. Blue birds shown are Lorna (left) and Mary Lou Scott (far right) of Torrance and an unidentified San Pedro Camp Fire Girl.

**WOMEN'S LEADER . . .** Geneva Meara, new president of the Women's Division of the Torrance-Lomita Board of Realtors, accepts the gavel of her office from outgoing president Vella Ruth Shuck. Mrs. Meara is an outgoing vice president of the board. She was installed during ceremonies held at the board's annual installation dinner-dance.

## Garden Checklist

1. Make a second planting of ranunculus and anemones. Staggered plantings will lengthen the bloom season next spring.
2. Winter stocks need good drainage. Be sure you don't plant them in a garden low spot.
3. Lift and divide perennials such as phlox and primroses. Plant new perennial seedlings.
4. Prune last season's fruiting canes from berry bushes and train new growth on the trellis.
5. You can get a lot of mileage from such lesser known bulbs as hyacinth and muscari. Plant them in drifts or groups for the best effect.
