

**NEW MARKET . . .** Nearing completion in the new shopping center at Avalon Boulevard and 231st Street is this new Foods Co. market. Featuring the latest in market equipment and fixtures, the new market is scheduled to open next month. The new store is the fourth in the southwestern area for the chain, which has served the area since 1922.

### Menorah To Install Officers

Installation of officers will be held by Temple Menorah at the Pen & Quill Restaurant on Jan. 9.

Cocktails will be served at 7 p.m. with a dinner-dance immediately following and entertainment throughout the evening. Chairman in charge of the event is Myer Alpert, outgoing president, assisted by Mrs. George Lewison.

New officers will be installed by Rabbi Jerome A. Unger, spiritual leader of Temple Menorah and are as follows: Dr. Sam Farber, president; David Morrison, first vice president; Dr. Barney Garen, second vice president; Dean Silberger, financial secretary; Robert Feldman, treasurer; and Clarke Kates, secretary.

Trustees are Mark Bennett, Allen Schuppach, Howard Cole, Joseph Weiss, Fred Spangler, William Klemtner, Walter Raine, Walter Remak, George Lewison, Myer Alpert and Mrs. Bernard Spanier.

Dr. Farber, a practicing physician, has been a resident of the Southwest for many years. He has been affiliated with Temple Menorah for 12 years, serving as vice president twice and a member of the board for several years.

### Law in Action

All the relevant facts are needed for a judge or jury to bring about justice in a law suit. With few exceptions, everyone who has facts about a case, if asked, must testify in court.

Witnesses are subpoenaed, that is, ordered to come in, sometimes with documents if demanded by a "subpoena duces tecum." A subpoena is court order. Failure to obey it is contempt of court for which there are several penalties. For disobedience impedes justice.

**IN A RECENT** case Bill Black, a witness was called to testify about a crime. The court gave him immunity from prosecution so that he could testify without incriminating himself. Yet on the witness stand, he replied to every question by saying "can't remember." The court decided that he was not acting in good faith and held him in contempt and sent him to jail for 30 days.

When Black got out, the court called on him again to testify. Again he "couldn't remember." Again the court held him in contempt. Back to jail he went for 30 more days.

Black appealed to a higher court this time claiming that he had been put in double jeopardy, that is, being twice punished for the same offense. The contempt order

was proper, said a higher court, each refusal to testify was a new offense subject to the penalties of contempt of court.

**AN OUTRIGHT** refusal to testify is not the only reason for a contempt. One witness before a congressional committee claimed he could not talk because of laryngitis. A delay of several days failed to cure his "laryngitis." In between times he talked a lot. Convinced that his throat trouble was a fake, the committee held him in contempt.

Any disrespect to the court can be reason to hold a person in contempt. As a rule, the act of disrespect occurs within the court room. But acts done outside the court, may also be grounds for contempt.

A court often excuses minor outbursts in court if the person apologizes.

Sonar Technician Seaman John A. Campbell, USN, husband of the former Miss Mary K. Shields of 1569 Plaza del Amo, is scheduled to depart San Diego early this month aboard the guided missile frigate USS Dale for a tour of duty with the Seventh Fleet in the Far East.

While in the Far East, the Dale will participate in various fleet training operations designed to increase her combat readiness.

### Bank Pays 4 Per Cent On Accounts

Interest rates on all savings accounts at Crocker-Citizens National Bank have been increased to 4 per cent per year, effective as of Jan. 1, 1965, according to Roy A. Britt, vice chairman of the bank's board.

Regular savings deposits had been earning 3.5 per cent, Britt said. The rates will be applied to all deposits from Jan. 1 if the funds are received by Jan. 8.

The bank announced increases on time certificate deposits and public funds in November.

Approximately one fifth of the patients treated at the U.S. Naval Hospital, Great Lakes, are Army and Air Force personnel.
