filmed on the studio stages, especially important when Presley is crooning one of the ten numbers which are in the picture. Michael Moore is directing

the production, which prob-ably will be released next summer to mark the 10th an-niversary of Sir Swivel Hips' discovery by America's moviegoing teenagers. The company began filming

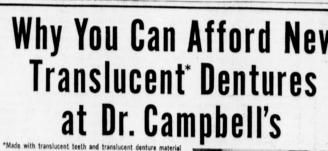

at the Torrance Airport shortly after its return from loca-tion areas in the Hawaiian Islands.

In addition to the scenes being made here, other loca tion shots include the Poly nesian Cultural Center in Hawaii, owned by the Church of Jesus Christ of Later-day Saints, and helicopter shots of Waimea canyon — some times known as the Little Grand Canyon — on the Island of Kauai in Hawaii Bonnet says the scenes of Waimea will be first ever shown in a motion picture. Presley has made 21 pic-tures since he first stepped before the cameras April 2,
