No Point In Showing  
You a Used VW.  
They All Look the Same.

That's the nice thing about buying a used VW. A used one looks almost like a new one. Drives like new, too. Each car on our lot has been re-conditioned, tuned-up, tightened-up, washed and polished (inside and out).  
Stop by. Pick out the model year you like. Drive it. The only thing you'll like better is the price.
