

HIGH SCHOOL FOOTBALL OUTLOOK

Bishop Montgomery Emphasizes Defense

This is the fifth in a series of articles summarizing the forthcoming high school football season. Today's report covers Bishop Montgomery High of Torrance.

By HENRY BURKE
Press-Herald Sports Editor
Defense! Defense! Defense!
If only the Knights of Bishop Montgomery High School can master the defense, Coach George Swade of the varsity feels his team will do a good job this season.

The Knight began drilling on defense the first thing this week when football practice got under way.

The varsity will play four non-league games against St. Genevieve (Sept. 24), Lennox (Oct. 1), Lawndale (Oct. 8) and Palm Springs (Oct. 15) before embarking on its Camino Real League slate against Crespi, St. John Vian-

ney, St. Monica's Fermin Lasuen and St. Bernard's.

The manner in which Montgomery has been constantly pulverized by rival Fermin Lasuen is probably what led Coach Swade to make "defense" the key word this season.

Offensively the Knights have one of the best junior quarterbacks in the area. He is Danny Graham, an all-around athlete.

As a sophomore Graham had a passing record of 68 completions in 140 attempts. He threw for seven touchdowns and scored twice himself while running 175 yards total.

Backing him is Dan Pritchett, a 136-pounder junior who was with the Bees a year ago.

Paired as the I-back and fullback are juniors Chuck

Bongard and Dave Moseley. Bongard was a quarterback with the lightweights a year ago. Moseley moves up from the second unit of last year.

Pressing the starters are Gary Nesenson and Ed Gilles, both second stringers a year ago. Gilles, a junior, was injured most of last season.

Two second unit men are also battling for the wingback job. They are Bob Comstock and Bill Perez.

Coach Swade can go three deep at most positions in the line. The best of the crop are guard Mike Wood, a third year starter, and End Mike Leamy who caught 17 passes for 307 yards and three touchdowns a year ago.

The Knights appear secure at right guard where Bill Kristufek is back again.

Moving up from second string to the first unit are Dan Gillespie at center and Jay Crawford at end.

Tom Roach, injured a big part of last year, and Mark

GEORGE SWADE
To Teach Defense

Leamy, a holdover second stringer, are in contention for right tackle, Mike McClain, up from the Bees, is at left tackle.

Camino Tests Passing

Coach Ken Swearingen of El Camino College got a good look at his football team yesterday during a control scrimmage against Riverside. The outing gave clear indication the Warriors plan to do a great deal of passing this year.

Alternating series of downs with Riverside Swearingen took advantage of the drill by using three separate units on offense.

Carey Hubert, the Cal transfer and former North High star, was given the starting call at quarterback. He ran the club on the ground

during much of a touchdown drive, finally pitching a pair of passes to Chuck Woods for a TD and PAT.

Woods is a letterman from Mira Costa.

Swearingen's second quarterback choice was Tom Torok, freshman brother of All-America QB John Torok. Like his brother Tom went to the air of an entire series of 12 downs. He had an easy touchdown catch dropped in the end zone.

Riverside scored during its second series on offense. They ran the ball exclusively.

Besides having two reputable throwers, El Camino has a good experience in the receiving department, including returning first string end Rick Eber and North High's talented flanker Don Albin.

El Camino will be matched against its alumni in a game scrimmage Saturday at 8 p.m.

The regular football schedule is:
Sat., Sept. 18 — Phoenix, Ariz. at El Camino.
Fri., Sept. 24 — El Camino at Pahrump, Nev.
Sat., Oct. 2 — El Camino at Mt. San Antonio
Sat., Oct. 9 — Santa Monica at El Camino.
Sat., Oct. 16 — Cerritos at El Camino.
Fri., Oct. 22 — El Camino at East Los Angeles.
Weekend of Oct. 29 — bye.
Sat., Nov. 6 — El Camino at Bakersfield.
Sat., Nov. 13 — Long Beach at El Camino.
Sat., Nov. 20 — El Camino at Valley.

TESTING OFFENSE AGAINST RIVERSIDE . . . El Camino Quarterback Carey Hubert (17) gives handoff to sophomore halfback Chuck Woods (26) in control scrimmage. Hubert later passed to Woods for touchdown and conversion in workout. Hubert, formerly of North High, is battling Tom Torok of Serra High for varsity quarterback job. (Press-Herald Photo)

Harbor College Greets 78 Grids

Harbor College football coach Scrapy Rhea greeted 78 football players last week as the Hawks prepared to get their 1965 season under way.

Last season's Seahawk squad, second in the nation, won nine straight games and is riding on the crest of a 10 game winning streak.

About the only weakness this year is the defensive line where Rhea has lost five starters. Only one man is returning at linebacker.

Quarterback will be taken over by Frank Wallisky, an all-state player from Colorado and a veteran of one year of junior college ball at Parris J. C. in Texas.

Other quarterback prospects are John Burke, Marshall High; Roy Scaffidi, a member of last year's team, recovered from a broken leg; Tom Williams, Mount Carmel

and Dennis Timpe, Narbonne. Letterman Lloyd Edwards, 225, failed to show up for the team, but the Hawks' fullback slot will be more than amply filled by a host of bruisers.

Paul Chatman, 215 and a 9.8 sprinter from Centennial; Tim Foley, All-CIF and All-American at Fermin Lasuen two years ago; Jim Lewis, All-City from Gardena High the past two seasons and Ron Magee, 220, a veteran of the Marines, lead the fullback hopefuls.

San Brown, all-stater from Texas; Ernie Castenada, San Pedro High; Bob Peters, All-City from Roosevelt High last year; Ralph Sinke, all-city from Corpus Christi and all-Canadian; Todd Martella, a vet Army ball and Ron Barber, All-Los Angeles city player of the year from San Pedro High lead the nominees.

Haven Moses, All-American J.C. at safety, leads the defense.

At tackles big Larry Jarman, 6-7, 255 leads the defense with Bill Harris, 235; and Jim Margrave, Palos Verdes, 235, the other big men Rhea expects a lot from.

Other linemen battling for jobs will be lettermen Bob Blackford, Dennis Loveridge, Cliff Marsh, Jerry Muse, Jim Rose, Bob Fredrickson.

Top newcomers are Charlie Evans, Banning guard; Steve Grace, Serra; Joe Jurlin, a veteran of the Air Force.

An interesting sidelight is that Jurlin and Marsh, both stand only 5-9, but are probably the strongest men on the team.

MARK HORNBECK . . . Torrance High speedster is expected to be at left half when the varsity football season begins Sept. 24 against Redondo. Hornbeck played for champion Bees last year. (Press-Herald Photo)

Angel Game To Benefit Lions Clubs

"White Cane Day" at Chavez Ravine is Sunday, Sept. 19, when the Los Angeles Angels and Baltimore Orioles go to bat to help the Lion's International Clubs of Los Angeles kick off their annual "White Cane" fund raising campaign.

Choice box seat tickets for \$3.50 are being sold by members of the Downtown Torrance Lions Club, according to Newell Larsen, club president.

Proceeds from the tickets sold by the Lions Club will be used for Sight Conservation Program.

Oct. 1 and 2 have been designated as White Cane Days by Lions International. "More than 750,000 business and professional men, members of 19,200 clubs in 132 countries of the Free World, will solicit funds from their fellow citizens by mail and personal contact; funds which will be used to bring brightness to those who live in a world of darkness or partial darkness," said Larsen.

Monies raised during "White Cane Days" are used only for the Lions Sight Conservation Program. During the past year the Downtown Torrance Lions Club financially helped support the Junior Guild for the Blind and also provided several campships for blind youngsters.

White Cane funds have been used by the Downtown Club to support the Braille Institute and to purchase eye magnets and microscopic eye surgical instruments for the Torrance Memorial Hospital.

Quarterback will be taken over by Frank Wallisky, an all-state player from Colorado and a veteran of one year of junior college ball at Parris J. C. in Texas.

Other quarterback prospects are John Burke, Marshall High; Roy Scaffidi, a member of last year's team, recovered from a broken leg; Tom Williams, Mount Carmel

BOYS' SOCCER LEAGUE PLANS '65-'66 SEASON

During the summer it's Little League. But in the fall there's a selection among Pop Warner football, ice hockey and soccer.

The American Youth Soccer Association provides a beginners' league for boys 12 and younger prior to July 1 and four teams from Torrance formed a league of their own for the first time last year.

In planning for the 1965-66 season, player registration will be held four consecutive Saturdays beginning Sept. 18 at Jefferson School, Carson and Hawthorne Blvd.

Coaches are also needed for the program, according to Bill Wolstencroft. Persons with a background in soccer interested in working with the youngsters can contact Wolstencroft at FR 7-2846.

Members of coaching staff returning from last year are Andy Keir, 1952 Olympic team member; George Kay, former Canadian professional; Gordon Watt, Gregg Madden, and newcomers Stanley Drysdale, Willie Carson and Danny Andrews.

League play will be divided into two seasons of three months each—before and after New Year's.

The soccer association sanctioned 20 teams a year ago. Territories are the South Bay, East Los Angeles, Valley, and Santa Monica-West L.A. areas.

President of the AYSO is Hans Stierle of Torrance.

Jockey Jack Leonard, presently in action at Del Mar.

Leonard won the 1963 riding title here with a total of 17 winners in 77 mounts.

Also coming back to Pomona this fall will be the popular George Tanaguchi, who finished second to York last year and who always fashions his share of winners at this half-mile oval.

Other returnees include Jockeys Eddie Burns, Roy Yaka, Robert Ford, Bradley Rollins, Tommy Nakagawa and Ronald Banks.

Jockey John Longden, the world's all-time winning rider with more than 6,000 lifetime saddle victories to his credit, probably will be on hand for the latter part of the meeting. Presently John is taking a European vacation.

Tappa Wins Playoffs In Slo-Pitch

Tappa Keggas won its fifth Southern California Municipal Athletic Federation slo-pitch tournament Saturday, beating the Los Angeles Oldtimers, 6-4 in the championship game at Lakewood.

In eight years Chuck Ryan's team has won five titles and was runner-up twice.

The Oldtimers won the SCMAF crown a year ago from Tappa Keggas, 5-4. The Los Angeles team also won the Redondo Invitational Tournament a week ago.

But Saturday Tappa Keggas jumped ahead with a five-run first inning.

With one away pitcher Chuck Schoendienst, Ray Magnante and Gib Mathews singled, and with two away Ron Jackson singled home a pair. Terry Tierney's long fly went off the glove of Steve Wold to clean the bases.

The Torrance team got its final run in the second inning on a double by Schoendienst to score Mick Ryan.

Tappa Keggas has scored 285 victories against 31 losses over an eight-year span.

A slo-pitch tournament in Torrance is scheduled for Sept. 17, 18 and 19.

Ed Sauer Wins Share of Races

Eddie Sauer, the incomparable ARA Figure 8 stock car ace from Redondo Beach, takes another stride toward the 1965 championship Sunday night on Ascot Park's rugged cross-country track at 8 p.m.

Qualifying lap trials open the doors at 6 p.m.

Sauer, driving his sleek, fast little '39 Chevy with a '63 Buick engine, has won eight starts at this writing, and could end with an even dozen wins before the Figure 8 season ends in November.

Sauer has been amazing in his performances at Ascot. At times it has seemed the other boys have finally gotten his number, and Eddie will be shut out of the winner's circle for a week or two.

But then he comes right back, as he did Aug. 29 to win a main go after Ben Steele and Leon Garrett had won successive races.

Sauer has some pretty good competition for the '65 title, however. Gardena's young Nick Thomas, just a few points behind Sauer at this point, needs only a couple of big main events to hurdle him right back into the lead, and this could easily be done.

Then there's Long Beach's Troy Still, who with Thomas boasts five main event wins, while Compton's Ted Shuster, in his vastly popular "L1 ole Phone Booth," has racked up three main event victories.

Other ace drivers in contention are Ed Gahler of Torrance, Steele, Garrett, Willie Kimbrough of Los Angeles, Otto Hayes of Bell Gardens, Ed Ferro of Lomita, Bud Toms of Bell, Dick Altman of Inglewood, Jon Cox of Culver City and Bob Queener of Torrance.

TRAINING CAMP REPORT

'Football at a Glance'

Morning and afternoon football practice began this week on the high school front as preparations got under way for opening games Friday, Sept. 24.

A series of reports from the high school training camps indicates all local coaches are encouraged by the first get together.

West High
West High launched its preschool drills with a turnout of 34 varsity candidates as Fred Peterson began his first year as head coach.

The squad included Dave LaRoache who apparently will compete for the second

year in football, basketball and baseball. LaRoache was a wingback a year ago. It was rumored LaRoache entertained the thought of passing up his senior year in football.

Max Lomas, varsity baseball coach, is assisting Peterson with the football assignment along with "B" coaches Dennis Haryung and Fred Burch and "C" coaches Toby Thurlow and Alex Lee.

Reporting for light-weight football yesterday were 42 Bees and 60 Cees.

South High
From among the schools in the Torrance district South High had the biggest football enrollment. The varsity had

70 players on hand yesterday with 60 Bees and 50 Cees.

Basic ball handling and blocking drills were order of the day for all teams.

The B-team is under the direction of Bert Raiche and Gary Ballengee and the C-team is coached by Bob Beardele and Steve Dodson.

Coach Ken Swift of the varsity said he was quite pleased with last week's five-day conditioning program. "It was very beneficial," he noted.

He planned an intrasquad scrimmage on Friday and a tentative inter-school scrimmage on Saturday.

Handling the Bees are Frank Simon and Howard Towle and Gary Stuart the Cees.

Veres is an outstanding graduate quarterback from Torrance High.

sity players, 30 Bees, and 25 Cees began working out at Tartarville.

Coach John Trantham said a number of candidates missed the first day of practice for various reasons. They include fullback Rick Faeth who is returning from a vacation in Washington.

Trantham announced the coaching assignments at Torrance include Harold Warfle, line coach, and Ron Veres, backfield coach.

Handling the Bees are Frank Simon and Howard Towle and Gary Stuart the Cees.

Veres is an outstanding graduate quarterback from Torrance High.

North High
With a majority of the 62 candidates at North termed "green," Coach Ed Levy of North plans to spend most of the week teaching offensive assignments.

"We will have to smooth out our execution and do not plan much offense until Friday afternoon," said Levy.

The Bees had a turnout of about 50 players and the Cees do not report until next week.

Assisting Levy in football are Jerry Nicholson and junior varsity coach Curt Curtis.

Handling the Bees are Jim O'Brien and Don Kasten, with Skip Enger in charge of the Cees.

Jets Drop
John Huarte
Quarterback John Huarte, \$200,000 bonus rookie and Heisman Trophy winner from Notre Dame, was placed on waivers yesterday by the New York Jets.

The Jets retained Mike Taliaferro, second year man, and Joe Namath, whom they signed for a \$400,000 bonus at draft time.

HUNTERS TAKE CARE
Advice for hunters: If you're hunting a higher altitude, go a few days early. This will give your heart time to adjust to the lower oxygen content of thin air.
