

GLENN MORNING  
Due in Port City

## Churchman To Speak Thursday

Glenn L. Morning, C.S.B. of San Francisco will give a Christian Science lecture in San Pedro on Thursday, Sept. 16, discussing how a spiritual standpoint in life turns trouble into opportunity.

The lecture is being sponsored by Seventh Church of Christ, Scientist and will take place at 8 p.m. in the church edifice at 1010 S. Cabrillo Ave., San Pedro. Title of the lecture is "What Determines Your Standpoint?"

Morning is a recognized teacher and practitioner of Christian Science, whose interest in the religion began while he was a student at Drake University in his native Iowa. He later did graduate work in piano and composition at the American Conservatory of Music in Chicago, and traveled widely as a concert pianist and theater musician. In 1955, he began devoting full time to religion and was officially accredited in the Christian Science healing ministry. He is now on tour as a member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Massachusetts.

## 'Joy' Topic Of Sermon at Unity Church

"Make Joy a Habit" will be the lesson subject of the Rev. Emma Muffley at the Unity Church of Christianity Sunday. The lesson will emphasize that God's Spirit, which is within every individual, enables him to think and act intelligently even when faced with confusing problems of adverse situations.

Unity Church meets at 10:50 in the Walteria Park Building, 3855 W. 242nd St. Classes for children are held at the same hour. Members of the congregation are invited to attend a picnic in the park immediately following the service.

## Story of Job Topic Of Lesson

"Lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal." This passage from the Bible will be the Golden Text for all Christian Science churches on Sunday. The subject of the lesson-sermon is "Matter," and it will feature the story of Job.

Quotations to be read from the Christian Science textbook include the following: "Job said: 'I have heard of Thee by the hearing of the ear; but now mine eye seeth Thee.' Mortals will echo Job's thought, when the supposed pain and pleasure of matter cease to predominate. They will then drop the false estimate of life and happiness, of joy and sorrow, and attain the bliss of loving unselfishly, working patiently, and conquering all that is unlike God."

## Sermon Named At Science Church Sunday

The Rev. Frank E. Richelleu will deliver a sermon on "The Impossible Possible" Sunday at the Church of Religious Science, 907 Knob Hill Ave., at the 9:30 and 11 a.m. services.

Coffee will be served by the Friendship Group in the patio following the 11 a.m. service.

## Veterans' Day Event Scheduled

Long Beach will be the site of one of the 1965 regional Veterans' Day parades, according to Fred Nessler, director of the Veterans' Day parade and ceremonies.

The 1965 parade, scheduled Nov. 13, will commemorate the 20th anniversary of Veterans' Day parades in Long Beach, Nessler said.

This year's event will honor the U.S. Army and the Military Order of the Purple Heart. Lt. Gen. J. L. Richardson, commander of the Sixth U.S. Army of the Presidio of San Francisco, will be grand marshal.

The parade will include units of all branches of the armed services, Nessler said. It is expected to be one of the largest in the western United States.

## Bekins Adds Warehouse

Bekins Van and Storage Co. has expanded its Torrance facilities with the addition of a new warehouse at 22850 Hawthorne Ave., according to David Cohee, Torrance district manager.

The new warehouse facility contains 20,000 square feet and represents an investment of some \$100,000 for the building and equipment, Cohee said.

Roland Esercherich of Los Angeles was the contractor.

Who determines what your life shall be? What determines the real nature and destiny of man? If it be God, then there is more to pray than mankind dreams, and every trial in our lives is an opportunity to discover man "in His image."
