

Sears Reveals Plans for New Outlet in Wilmington

Plans to open a Sears, Roebuck and Co. appliance-catalogue outlet in Wilmington were disclosed today by John G. Lowe, Sears district manager in Los Angeles.

Lowe said the store, to be located in leased facilities at 23327 S. Avalon Blvd., will be ready to open and serve Wilmington area families about Oct. 20.

He said the store will have a gross area of 5,000 square feet with approximately 75 per cent of the space used to display merchandise items including home appliances. Parking will be available at the store, Lowe added.

"OUR DECISION to locate a Sears outlet here reflects our faith in the business future of Wilmington," said Lowe. "We are confident that the new store will attract new customers here and will prove a distinct asset to the entire business community."

Featured will be a complete line of all Sears major appliances including washers, dryers, refrigerators, stoves, televisions, radios, water heaters, sewing machines, vacuum cleaners, air conditioners, dish washers as well as broadloom carpeting, home decorating service, and small appliances.

The new Sears appliance-catalogue store will offer more than 200,000 different items of merchandise for sale—all the lines merchandised in Sears famous catalogs. These include apparel for the family, home appliances, automotive parts as well as home, office and garden tools, equipment and supplies.

ORDERS PLACED in person or by telephone will be sent directly to Sears catalog plant in Los Angeles. Orders will be filled at the plant the same day received and shipped back to the appliance-catalog store. Orders may be picked up within 24 to 48 hours or can be sent directly to the customers' homes.

Five regular catalogs are issued annually by Sears in addition to specialized catalogs and circulars. Most familiar to American families are the two general catalogs issued for the spring-summer and fall-winter seasons. Each book contains more than 1,500 pages and weighs approximately 5 pounds.

Special books are issued for Christmas, winter and summer selling seasons.

OTHER CATALOGS are issued for many merchandise fields, including office equipment and supplies, farm equipment and supplies, and imported car replacement parts.

Edward Cavanagh, store manager, has pledged to give fast courteous personalized shopping service to the families of this community, upholding the company's traditional motto of "Satisfaction Guaranteed or your money back" and welcomes everyone to the grand opening celebration.
