Enjoy Foods Co's "Extra Choice"

THE STORY OF FOODS CO. BEEF!
WE BEGIN WITH THE BEST
In meat packing houses all over the country, U.S. government inspectors carefully grade beef. Then our own Foods Co. inspectors—thoroughly trained in quality selection—take over. Re-inspecting only the U.S.D.A. Choice Grade, they mark the highest grade beef with our symbol of approval.

THE STORY OF FOODS CO. BEEF!
EXTRA TRIMMED FOR EXTRA VALUE
It's nothing new at Foods Co.—but a fact well worth mentioning... that at Foods Co. you pay for only that portion of the meat that's good to eat and necessary to proper cooking—no more! That's because your Market Man gives every cut Foods Co.'s Extra Value Trim—eliminating all excess bone and fat.
