

Camino Battles Mt. Sac

Trying for their third win of the young season, the El Camino College Warriors travel to Walnut Saturday to face Mt. San Antonio College at 8 p.m.

It will mark the first time the two colleges have faced each other in a football contest.

The Warriors go into the game on a two-game winning streak.

Last Friday El Camino defeated Pierce, 21-6, at the Woodland Hills campus.

Although the Brahmas out-gained Camino in total offensive yards, 240-221, they failed to score until the final 38 seconds.

Defense once again accounted for the Tribe victory as the goal-guards picked off three Pierce aeriels and three fumbles.

A fumble recovery by defensive lineman Ron Murrey gave the Warriors possession at the 50-yard line and led to their first TD.

On the first play from the 50, QB Cary Hubert understood the rush of two Brahma linemen and fired a 40-yard strike to right end Rick Eber, who carried his defender and the football out-of-bounds at the Pierce 10.

After Bill Turner and Dennis Barberic moved the ball to the two, Hubert used his favorite fake-handoff, end-sweep run to put the Warriors ahead. Jim Hess split the uprights to end the scoring drive.

The Tribe's second touchdown came with 1:03 left in the half on a 51-yard drive initiated by Manuel Juarez's interception.

Halfback Chuck Woods pushed across the score from 5 yards out with Hess adding the conversion for a 14-0 lead at the half.

The Tribe proceeded to clinch the game on the opening series of the second half. Hubert steered the Warriors 70 yards for a touchdown, finally hitting Eber with a 14-yard scoring strike. Hess managed to clear Pierce's leaping defenders for the conversion and a 21-0 advantage.

The Brahmas prevented a bid for a shutout by scoring on a 26-yard pass play from Mark Reed to Dennis Coville.

Altogether the Brahmas had six scoring drives within the Warriors' 30-yard line.

Fishing Report

This is the time of year when many outdoor motor-ing enthusiasts think about storing their equipment for the winter.

To get the straight dope on this procedure Larry Bryan, expert on the subject at Art's Landing in Balboa, was quizzed.

Larry reports that no out-board motor should be placed in storage without considering these precautions:

Most important, Remove all plugs in the gearcase and driveshaft housing, marked "drain" and "grease," to allow accumulative water remaining in the cooling system to drain off. To make certain all water has been drained, rock motor from side to side.

If operated in salt water, flush cooling system with fresh water.

Refill gearcase with grease or gear lubricant.

Remove spark plugs—pour about a tablespoon of clean oil on cylinder walls. Replace spark plugs.

ROSE BOWL TICKETS AWAIT 'PURCHASERS'

A total of 3,500 tickets for the Rose Bowl game on Jan. 1, 1966 will be placed on sale during the next few days, it was announced today by J. Randolph Richards, president of the 77th annual Tournament of Roses.

Interested persons may become eligible to purchase two Rose Bowl game seats by mailing a post card to Rose Bowl, Bin 1800, Pasadena, California. These post cards, containing the applicant's name and address, may be mailed from any post office at any time between now and Oct. 15.

Dawn Baker, 1965 Rose Queen, will preside at a ceremony about Nov. 1, at which time 1,750 post cards will be drawn. With only two seats being sold to one person, ticket applications will be mailed to these card owners.

In announcing the public sale, President Richards said, "Persons interested in securing tickets should mail only a post card. No money should be sent until requested. The public sale, with a certified public accountant in attendance, is conducted under the joint supervision of the AAUW Conference and the Tournament of Roses."

Race Season To Conclude At Pomona

Horse racing at the Los Angeles County Fair comes to the end of the line here this week, the highly successful 14-day meeting concluding Saturday with the 18th running of the \$20,000 added Pomona Handicap at a mile and one furlong.

Probable favorite for the Pomona is More Megaton, winner of the Pomona for the past two seasons, and a strong third to Beloved and Aeroflirt in last Saturday's C. B. Afferbaugh Memorial Handicap at a mile and one-sixteenth.

Two Events Set for Bikes

Motorcycle riders hit a double-header program this week at Ascot Park with Friday night's 16-event program on the half-mile oval augmented by a steeplechase over the jumps Saturday night.

Sanctioned by the American Motorcycle Assn., both events are directed by J. C. Aagajanian and both kick off at 8:15 p.m.

However, that's where the similarity ends. While Sammy "Flying Flea" Tanner is the favorite in the 15-lap main event in Friday night's flat track events, the steeplechase is wide open with five different winners from the last five events bidding to break the no-repeat rule.
