

Crash Leads Officers to Theft Scene

An early morning traffic accident resulted in the arrest of an injured man on suspicion of burglary and grand theft auto here yesterday, Torrance police reported.

Jan Mervin Van Buskirk of 5322 Carol Drive was taken to Los Angeles County General Hospital's prison ward after he was treated for injuries at Little Company of Mary Hospital.

TORRANCE police lodged the charges during the investigation of traffic accident at Rolling Hills Road and Crenshaw Boulevard just before 4 a.m. yesterday. Wigs valued at some \$1,500 were recovered at the same time.

Police Lt. Dave Cook told the Press-Herald Torrance officers were investigating the traffic accident when they discovered the burglary of a fashionable beauty salon and a frozen seafood firm at Rolling Hills Road and Crenshaw Boulevard. Officers found no suspect on the premises of the two firms, however, and returned to the accident investigation, Lt. Cook said.

A CHECK OF the car turned up several wigs in the trunk of the car. The license plate also had been removed and was found under a seat in the car.

Van Buskirk was taken to Little Company of Mary Hospital in a semi-conscious and incoherent state, Lt. Cook said. He was treated for lacerations to his head and transported to County General Hospital. Doctors at Little Company of Mary Hospital said Van Buskirk appeared to be under the influence of drugs.
