AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TORRANCE ADDING ARTICLE V ENTITLED "LOITERING" TO CHAPTER 18 AND ARTICLE LIII ENTITLED "OUTDOOR RESTAURANTS" TO CHAPTER 16 OF "THE CODE OF THE CITY OF TORRANCE, 1954" FOR THE PURPOSE OF CONTROLLING PROBLEM AREAS REQUIRING POLICE SERVICE.

The City Council of the City of Torrance does hereby ordain as follows:

SECTION 1.

That Article V entitled "Loitering" is hereby added to "The Code of the City of Torrance, 1954" to read in its entirety as follows:

"Article V. Loitering.

Sec. 18.80. Loitering on business Parking lots or at places of Business.

It shall be unlawful for any person without lawful business to stand or loiter upon any business parking lot, or upon any place of business after having been directed by the owner, or the owner's agent, or a police officer of the city to move on.

Sec. 18.81. Loitering—defined.

To linger, to delay, to hang about, to spend time idly, to waste time carelessly. By definition, loitering may be accomplished in a vehicle which is moving back and forth frequently at, by, into or adjacent to said business premises or parking lot with no apparent reason therefor, as well as by pedestrian traffic."

SECTION 2.

That Article LIII entitled "Outdoor Restaurants" is hereby added to Chapter 1 6of "The Code of the city of Torrance 1954" to read in its entirety as follows:

"Article LIII. Outdoor Restaurants.

Sec. 16.560. Outdoor restaurants—definition.

"Outdoor restaurant," as used in this section, shall mean any place of business, required to be licensed under the provisions of section 14.4 (a) of the Torrance City Code, which sells or serves food products or beverages for consumption of such food products or beverages on any portion of such premises not within a fully enclosed building.

A fully enclosed building for the purpose of this section only means a permanently located structure having a roof and four walls all of which conform to the Building Code.

Sec. 16.563 Same—permit required.

No person shall operate or cause to be operated or participate in the operation of any outdoor restaurant between the hours of 10:00 P.M. of any day and 8:00 A.M. of the next succeeding day without a permit from the License Department to do so having first been secured. No person, having obtained said permit, shall operate an outdoor restaurant between 10:00 P.M. of any day and 8:00 A.M. of the next day while such permit is suspended or after such permit has been revoked.

Sec. 16.562. Same—permit: not assignable.

Permits issued under the provisions of this section shall not be assignable to any other person.

Sec. 16 563. Same—permit: application.

The application for a permit required by this section shall be made and signed by the person intending to operate such outdoor restaurant and be filed with the License Department Supervisor. The application shall contain the following information.

A. The intended hours of operation.

B. The name and address of the owner or in the event more than one natural person is financially interested in the proposed outdoor restaurant, the names and addresses of all owners, partners, officers and directors of the applicant.

C. Any other information reasonably required by the License Review Board.

Sec. 16.564. Same—permit: requirements for issuance upon the original application.

Upon receipt of an application for a permit required by this section from a person not then holding a valid permit for operation of such outdoor restaurant, the Chief of Police shall make an investigation of the applicant, the neighborhood or vicinity where such proposed outdoor restaurant is or will be located, and the past and anticipated characteristics of the intended use of the premises involved. Within twenty (20) days after receipt of said application the License Review Board shall issue the permit if it finds:

A. That the application is complete and proper in form and all statements therein are true and correct; and

That the proposed outdoor restaurant will create no apparent danger to the health and safety of the neighborhood or vicinity in which the restaurant is located; and

C. That the conducting of the proposed outdoor restaurant at the location and during the hours applied for will not result in disturbing the peace and quiet of the neighborhood or vicinity in which such restaurant is located; and

D. That the intended use of the premises for which the permit is sought will not conflict with any laws of the State of California or ordinances of the City.

Sec. 16.565. Same—permit: refusal; issuance of permit upon conditions.

If the License Review Board finds that one or more of the requirements stated in section 16.564 of the Code will not be satisfied in the operation of the proposed outdoor restaurant said Board shall refuse to issue the permit. Provided, however, that the License Department may issue the permit upon the imposition of reasonable conditions appearing on the permit which, if observed by the applicant, will bring the intended operation into compliance with all of the requirements stated in section 16.564 of this Code. Violation of the conditions on the permit shall be a violation of this Code and shall subject the offenders to penalties.

Sec. 16.566. Same—permit: revocation: suspension; hearing: notice.

Whenever any permit shall be issued by the License Department under the terms of this section the same may be revoked at any time thereafter, pursuant to Article XI of Chapter 16 of the Code. Revocation shall be effected if the conduct of the business in question does or will in any manner endanger the public welfare or is conducted in an illegal, improper or disorderly manner, or if any requirement of this article or condition to the granting of a permit is not complied with.

Sec. 16.567. Warning sign.

It shall be the duty of the property owner at his expense to erect a sign approved by the License Review Board and the city attorney giving notice of the application of section 18.80 and 18.81 of this Code. Said sign shall be exempt from the requirements of the city sign ordinance and shall be subject to any conditions imposed as to shape and placement by the License Review Board.

Sec. 16.568. Establishment of rules and regulations.

The license review power may establish such rules and regulations, regulating the operation of such restaurants as will promote the purposes of this article."

SECTION 3.

Any provisions of the Torrance City Code, or appendices thereto inconsistent herewith, to the extent of such inconsistencies and no further, are hereby repealed.

SECTION 4.

Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine not exceeding Five Hundred Dollars ($500) or six (6) months in the county jail of Los Angeles County, or by both such fine and imprisonment in the discretion of the court.

ELIGIBLE OR NOT—

YOUR BEST BUY IS G.I.

IF YOU'RE ELIGIBLE—to purchase under veteran financing, you can get the best terms—a 5¼% home loan with no investment except closing costs and impounds. But: very few new homes can meet the rigid requirements needed to obtain Veteran's Administration financing. CARSON ESTATES DOES!

IF YOU'RE NOT ELIGIBLE—a VA-approved home is still your best buy. It guarantees that your home is built to Federal government specifications. It guarantees that your home has been thoroughly inspected during construction—you get better materials and workmanship than local building codes require. And, the selling price is firmly controlled by professional appraisers, not by the builder who hopes to get whatever the market will bring. WE'LL PROVE IT TO YOU—AT A MOST DESIRABLE HOME LOCATION.
