Women's Voter League To Select Study Item

National program recommendations for the 1966-68 study item and review of former national study conclusions, will be spotlighted as the Torrance League of Women Voters meeting Tuesday at 7:45 p.m. at Madrona School Cafeteria, 21364 Madrona Avenue.

Opinions of Leagues all over the United States are considered in the final selection of a national study item, according to Mrs. William Radcliffe, Torrance League president. She pointed out that study items must concern topics which can be approached through legislation, must provide oppor-

tunities for citizen action, must concern the nation as a whole, and must be timely.

Legislative positions arrived at as a result of past national studies will also be outlined. Local League members will give their recommendations as to whether these positions should be continued, altered, or deleted, Mrs. Radcliffe stated.

The League of Women Voters is a non-partisan organization which studies issues on the city, county, and state levels as well as the national level. Membership is open to all women of voting age.
