FEATURING RIC RAC

Magee's Ric Rac — For the woman who prizes practicality, Ric Rac is notable for its unusual two-tone coloring — and the bright, bouncy texture that's equally smart in modern and Early American settings. Long-wearing loop pile is Herculon Polypropylene Olefin. 3 1/2 x 60 in.

**NO MONEY DOWN  
3 YEARS TO PAY**

**STILL TIME  
TO  
Carpet your Home  
BEFORE  
CHRISTMAS**

That a carpet so full of bounce, so brilliantly colored, also possesses such inner strength and toughness. You can get away with practically anything on Magee's Herculon polypropylene olefin fiber. Spillings stay on the surface, even fudgy fingermarks whisk away with a swish of a soapy sponge. What's more, you can't run a Magee carpet ragged. It takes traffic in stride. Can't be squelched by running, restless feet. Outwears even your children. The reason, Magee has put Herculon through the mill.
