May Co. worked its wiles on America's most famous makers to bring you this secret-name jewelry sale that's famous for sensational values. Our counters are glittering with a collection of beautiful baubles and trinket treasures it's taken a year to assemble. Some are wild in daring design; all are wonderful in workmanship. Rhinestones, colored stones, marvelous metals. Although we can't quote original prices, each is a bargain hunter's trophy; each a collector's item. Sorry, no phone or mail orders.
