Solons Examine Dispute Over Amateur Athletics

By VINCENT THOMAS Assemblyman, 68th District Politicking is by no means confined to governmental organization and administration.

tones of considerable international significance, and affects several nationwide organizations which control various segments of amateur competition.

and Field Federation are struggling for jurisdiction to regulate the conduct of individual amateurs and to sanction contests between them.

This struggle has prevented some amateurs from qualifying for teams representing the United States, and has thus seriously affected our national interest and prestige in international amateur athletic competition.

THE ASSEMBLY resolution under which the committee is acting summarizes the situation quite neatly. It points out that it is consistent with the national policy for physical fitness that amateur athletes should be given maximum opportunities to compete with their peers.

During our 1965 regular session, two series of bills to deal with this matter were introduced in the Assembly. One set would have provided two things. The first would be to make it a misdemeanor for anyone conducting an amateur contest to refuse to allow any amateur to enter it, on the sole ground that the athlete had competed in some other organization's contest.

A case in point now being studied by the Assembly Interim Committee on Governmental Efficiency and Economy involves amateur athletic competition. Believe it or not, the problem has over-

Hahn Criticizes Civil Defense Policies Here

The importance of developing a sound civil defense shelter program to protect citizens in case of nuclear attack was re-emphasized this week by Supervisor Kenneth Hahn.

"IF EVERY new school and every public building in every community that has been constructed had one large civil defense shelter facility, our nation by now would have a practical, sound program at least 50 per cent completed as far as civil defense for the citizens in case of nuclear attack."

He has strongly criticized as "shortsighted" the current policy of designating as shelters the basements of large downtown buildings.

"We still have time," he stressed. "I feel the President and Secretary of Defense McNamara should recommend to Congress in the 1966 session sufficient funds to permit local governments in the 1966 session sufficient funds to permit local governments in the United States and local school boards to develop a sound shelter program."

"THESE shelters are not near the people and between 5 p.m. and before 8 a.m. they would protect only the night watchmen," Hahn said. The Supervisor stated his strong agreement on shelters with the views of Dr. Edward Teller, who helped develop the atomic bomb. Teller this week told the American Association for the Advancement of Science in Berkeley: "A strong civil defense is our best hope of preventing nuclear attack."

Hahn noted military authorities have indicated that Communist China will have the power of delivering nuclear warheads by 1970. "As a thoughtful, wise nation, America should begin now to develop a good and adequate civil defense shelter program," Hahn stressed.

New Signs Approved For Freeway

Thirteen additional signs warning motorists that the speed limit on the Harbor Freeway between the interchange and Adams Boulevard is 55 miles per hour soon will be posted. E. T. Telford, metropolitan district engineer for the State Divisions of Highways, said the signs will be placed on the freeway between Third Street and Adams Boulevard "as soon as possible." The regular limit on other stretches of the freeway is 65 miles per hour.

To Build 54 Homes

Sale of 16.4 acres of Palos Verdes Peninsula land to Soledad Corp. of Torrance for \$450,000 has been announced by Donald J. Owen, manager of the Palos Verdes office of Transamerica Development Co., TDC and Great Lakes Properties, Inc. The land, located 350 feet north of Indian Valley on the west side of Hawthorne Blvd. will be used to construct 55 single-family dwellings next year, according to Vernon H. Taylor, Soledad president. Construction on four model homes will start about Jan. 15 and they are expected to be ready for public inspection in May, Taylor disclosed.
