When Gledhill Says a Used Car Is "OK" We Back It with Our Terrific  
**25-MONTH WARRANTY PLUS FREE LUBE FOR THE LIFE OF THE CAR**

★ **QUALITY OK USED CAR DEALER WARRANTY** ★

For a period of 30 days beginning 1966, the Dealer will pay 50% of the parts and labor repair bills, with the exceptions noted below, necessary to keep the Vehicle in serviceable condition under normal use, provided that the repairs are taken care of in the Dealer's shop at the Dealer's regular retail price, and that such repairs do not qualify for adjustment under any new vehicle warranty applicable to the Vehicle. Expressly excluded from the above are tires and tubes, glass, radio, air conditioning; any damage resulting from collision, accident, abuse or misuse. Nevertheless, the Dealer, will furnish replacement tires, tubes and/or labor during the 30-day period specified above at a discount of 25% from the Dealer's regular prices. For a period of two years following the expiration of the 30-day period specified in above paragraph, the Dealer will pay 15% of the parts and labor repair bills necessary to keep the Vehicle in serviceable condition under normal use, provided that the repairs are made in the Dealer's own shop at the Dealer's regular retail price.

And to us, an "OK" is more than a figure of speech. For the cars we've put our OK tag on, we have put in new plugs, points, condensers, if necessary, waxed and polish, if necessary, safety checked, new brakes, shoes, and linings, if necessary. Because we're a Chevy dealer, we're out to make you a customer for life. And, perhaps, even have the opportunity to sell you a new car some day, which is an opportunity we wouldn't want to miss by having you disappointed in a used car.

So step in soon. We say you'll be pleased by what you see. The OK cars and other good values too. And WE STAND BY OUR WORD!
