

Homes For Students

Torrance Chapter of the American Field Service is now receiving preliminary applications for the placement of Foreign Exchange Students in American homes for the school year of 1966-67. Mr. Joseph Dock, Home Placement chairman, reports that application forms are now available through the counsellors in South, North, West and Torrance High School offices.

To be eligible to receive a foreign student in the home, the youngest parent must not be less than 37 years of age. With the exception of Canadians, the parents must have been born within the United States or have come here by the age of 12. Also, the parents must have a teenager in high school or have raised teenagers recently. The Exchange Student must have a bed of his or her own but may share a bedroom with the foster brother or sister.

The Torrance Chapter at present has four Foreign Exchange students attending three Torrance High Schools. They are among 37 such students to visit Torrance homes and attend schools in the city in past years. The students taking part in the program this year are Yuko Shigami

from Japan, Erika Stotz from Chile, Muratha (Roy) Sriwong from Thailand and Ana Maria Estivallet Bezerra from Brazil.

An American Field Service International Scholarship is an open door which leads to understanding and friendship among peoples of the world. Through this door pass students from more than 60 foreign countries to attend American secondary schools in more than 2000 communities for a school year of study and first-hand experience, as well as American teenagers from practically every state to study and live with families abroad — a two way program of seeing and showing. In this way young citizens of the world learn to recognize and to respect the similarities and differences of those who, though they live in different countries, have dreams and efforts similarly directed toward the goal of a peaceful and useful life.

This program is possible through the help of civic groups' contributions, memberships in the Torrance Chapter and fund raising projects. Mrs. C. W. Bartholmew, president or Mrs. Joseph Dock, Home Placement chairman may be con-

tacted for additional information.

David Brown, curator of mammals at Marineland of the Pacific, will describe the natural history and behavior characteristics of dolphins at the Feb. 2 meeting of the South Bay University Women.

Refreshments will be served at 7:45 p.m.

The meeting will be held at the home of Mrs. Marc Kolpin, 28015 Lomo Drive, Palos Verdes Peninsula, at 8 p.m.

Tri-Delts 'Jew in Art' Planning Subject for Convention Hadassah

Members of the South Bay Alumnae Chapter of Delta Delta Delta are holding their monthly meeting this morning at the home of Mrs. Richard McGrath, 441 Calle Mayor, Hollywood Riviera. Mrs. John G. Otts, Hollywood Riviera, is co-hostess.

Plans for the Tri Delta National Convention, to be held at the Ambassador Hotel, June 13 to 18, is the main topic of discussion. Mrs. Dale B. Drummond of El Segundo has been appointed South Bay representative to the convention planning group.

Mrs. R. H. Prideaux, chapter president, announces that the regular meeting time was changed to enable members to attend the Pan Hellenic Council luncheon at the Los Verdes Country Club.

Tri Delta members planning to attend the luncheon include: Mmes. David Carico, James Colee, Norman Jacot and Robert L. Mohle of Manhattan Beach; Mmes. Richard McGrath, R. R. Scott and Walter D. Uptegraff of Hollywood Riviera; Mrs. E. W. Casagrande of Rolling Hills; Mrs. Dale B. Drummond of El Segundo; Mmes. Rowe H. Prideaux and John W. Van Camp of Rolling Hills Estates; and Mmes. Walter R. Clark and Carl Stoffers of Palos Verdes Estates.

"The Jew in Art" is the title of a series of slides to be shown at the next meeting of the South Bay Chapter of Hadassah. The event will take place at the home of President, Mrs. Bernard Wechsberg, 28503 Trailriders Drive, Palos Verdes Peninsula, Feb. 1 at 12:30.

The color slides will feature the Jew both as the subject and as the artist through the ages. Rarely seen mosaics and paintings recently discovered on the walls of ancient synagogues in Israel and Babylon in apparent defiance of the Hebraic ban on the representation of the human figure are included in the collection. Rembrandt, Breughel, Renoir, Chagall, and Modigliani are among the many artists represented. Mrs. Louis Rudlin will comment.

Chapter members will make plans for their "Luncheon is Served Fashion Luncheon" to be staged at New Horizons Clubhouse on Feb. 10.

Hostesses for the meeting will be Mmes. Richard Gold and Bernard Wechsberg.

Meets Thursday

Redondo Beach Chapter of La Leche League will hold its monthly meeting tomorrow at 8 p.m. at the home of Mrs. Walter Hill, 4015 W. 159th St., Lawndale.

All expectant mothers are invited to attend.
