

# Eight Elected to St. Andrew's Vestry; Glowing Year Reported

Reports on a record year of activity and the election of eight new vestrymen and six alternate vestrymen highlighted the annual parish meeting of St. Andrew's Episcopal Church last week, according to the Rev. Hugh R. Percy, rector.

Glowing reports were received by the church members from the Episcopal Church Women, who told of the best year in the 10-year ministry of the Rev. Fr. Percy at St. Andrew's.

"The amount of work accomplished and the financial returns to the church were truly significant," the rector said.

OTHER REPORTS made by representatives of the church groups depicted similar experience, it was indicated. The reorganized Young Peoples Fellowship plans an 1800-mile trip to visit St. Christopher's Mission to the Navajo in Bluff, Utah, during the Easter vacation, it was reported.

Charles L. Ray, who has served as senior for the church during the past year, was reappointed by the Rev. Fr. Percy to serve during the coming year.

New vestrymen elected to serve on the 15-member

church governing board included Roscoe Easton, Francis Gallagher, Louis Kimzey, Col. Floyd W. Kniss, Thomas Molesworth, Jess Quisioit, Edward Rhone, and Lawrence Smith.

SIX ALTERNATE vestrymen, whose election was provided for in a recently adopted resolution increasing the church vestry, included John Agapito, Robert Cameron, Richard Hammer, Jack

## Lutherans Set Series On 'Family'

The Rev. Lyle Gangsie, dean of students at California Lutheran College in Thousand Oaks, will conduct a series of meetings at the First Lutheran Church of Torrance, Carson and Flower streets.

The meetings are to be held in conjunction with the congregation's "Family Life Mission." The project includes missions on Sunday, Monday, and Tuesday at 7:30 p.m.

The Rev. Mr. Gangsie is a member of the American Association of Marriage Counselors and the National Council on Family Relations. While attending Columbia University, he prepared a thesis on "Marriage and Counseling."

General theme of the meeting will be "Family—God's Idea." The Rev. Mr. Gangsie will speak on "This Marriage of Mine," "Resources for Family Living," and "Ten Commandments for Parents." He also will preach during the worship services Sunday at First Lutheran Church.

Haynes, Robert S. Hollister, and Paul J. Taylor.

At an organization meeting of the vestry Sunday, Jack C. Hager, a member of the governing board since 1964, was re-elected to the post of junior warden. Easton, one of the new vestrymen and a Certified Public Accountant, was elected to the post of church treasurer, succeeding Van N. Sexton who had asked for a year's leave from the post.

## Continuing Vestrymen Planned By TACT

Leonard Patterson, a former member of the Communist Party USA, will present a lecture on "My Moscow Training in Civil Riots" next Wednesday at Redondo Union High School.

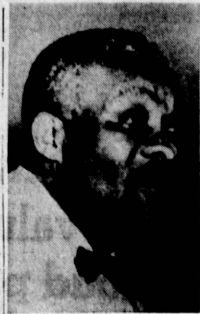

The program is sponsored by the local chapters of Truth About Civil Turmoil (TACT). The meeting will begin at 7:55 p.m. in the Redondo High School Auditorium.

Patterson joined the Communist Party USA in 1928. He was selected for training as a "potential revolutionary leader" and attended communist trade schools in Cleveland, Ohio, as well as in Illinois and New York.

He was sent to Moscow as a student in the International Lenin School and received extensive training in military tactics and revolutionary insurrectionist movements. He was considered an expert on the issue of "self determination."

Patterson quit the Communist Party USA in 1937. He will detail his experiences as a member of the party, including the time he spent in Moscow.

A question-and-answer period will follow Patterson's presentation. A \$1 donation will be accepted at the door, according to Bill Kelly, public relations chairman for local TACT committees.

# Inter-Faith Dialogues To Stress Brotherhood

"What Do We Teach About Divine Election and Chosenness" will be the topic for the second in a series of Inter-Faith dialogues being held here in observance of Brotherhood Month.

The dialogues, sponsored by the South Bay Community Relations Council and the Chambers of Commerce of Hermosa Beach, Manhattan Beach, and Torrance, feature panel discussions by clergy members representing area religious communities.

The Rev. Dale W. Huitgren, chairman of the Inter-Faith Committee of the South Bay Community Relations Council, will moderate the discussion, which will be held next Tuesday at the Redondo Union High School cafeteria, beginning at 8 p.m.

## Lesson on 'Sprit' Set For Sunday

"Can Deity be known through material senses? Can the material senses, which receive no direct evidence of Spirit, give correct testimony as to spiritual life, truth, and love?" This thought-provoking question is part of the Lesson-Sermon on "Spirit" to be read at all Christian Science churches this Sunday.

The question is taken from the denomination's textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the discoverer and founder of Christian Science.

Bible passages will include Jesus' declaration: "It is the Spirit that quickeneth; the flesh profiteth nothing" (John 6). The service on "Spirit" is one of a series through which Christian Scientists seek a deeper understanding of the nature of God through the study of certain texts. Others to come include services on "Soul" and "Mind."

At long last Spartans! Second semester has arrived and with it an onrush of events. Now that finals are over, normal study habits prevail, which always leave room for activities!

Friday night, the "One Act Play Festival" will be presented in the cafeteria. A collection of fine plays have been rehearsed by the drama students, and the outcome of success seems certain. Make it a date to see the "One Acts" Friday night.

Hup 1-2-3, and the annual Boy Scout Parade will be under way, with South High leading the route. Last year, the Spartans won first place and were awarded a four-foot perpetual trophy for their winning performance. So, Saturday line the streets in Torrance and see your Spartan Band and Flag Team in action!

They are well known for the universality of their performance. Modern ballads, jazz, folk, as well as latin numbers will be in the offering during their show.

Wrestling will be highlighted Friday at 7 p.m. The Spartan grapplers will be competing the Hawthorne Cougars in an important match. If you'll recall, Coach Hanny's hoopers brought home a win against the Cougars. Now it's up to the wrestlers to cage their opponents.

# Children's Art Class Scheduled

Mrs. Penelope Greeven will put her philosophy into action this spring when she instructs a children's crafts class for the Palos Verdes Community Arts Association.

"Art and children are synonymous," Mrs. Greeven said. "Both have a quality of that which is essential without the superfluous. They communicate the truth—the ultimate reality for which there are no words."

The class, which includes work in printmaking, weaving, collage, wire and tissue paper sculpture, puppet making, and other forms of crafts, will be offered at the Palos Verdes Community Arts Workshops, 2215 V.I.A. Anacapa, Lunada Bay. It will meet Saturdays from 1 to 4 p.m.

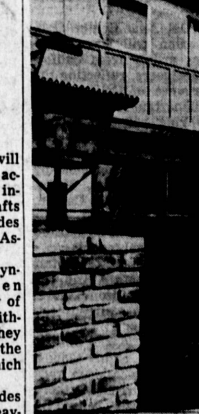

Mrs. Greeven earned her art degree at the University of California at Los Angeles and has been teaching crafts and art classes for the past three years. She also operates her own interior decorating business.

Object of the class, she said, is "to help children attain inner freedom to express the attributes of soul, to encourage their natural awareness and innate creativity so they may have the sense of enthusiasm and confidence gained from portraying part of themselves."

# Polls Set For Vote On Bonds

Thirty-eight polling places will be open next Tuesday when Torrance voters go to the polls to decide the fate of two school bond issues.

Voters are being asked to authorize a total of \$13.5 million in school bonds. Two proposals will be on the ballot. Proposition No. 1 seeks \$12.5 million for general school construction, while a \$1 million issue for swimming pools is listed as Proposition No. 2.
