Who Sells Used Cars With Warranty Protection Like This?

FIVE YEAR/50,000 MILE WARRANTY

RAY VANE CHRYSLER PLYMOUTH DOES!

Look for the warranty seal. It marks the cars which are eligible for the unused portion of the Chrysler corporation 5 year/50,000-mile-engine and drive train warranty. It shows the exact number of miles still coming to you under that original factory warranty. A warranty that covers 100% of the parts and labor. One so strong that only cars that were engineered better could carry it to begin with. Any car that wears this seal, you can buy with confidence for they are obviously fine cars.

WARRANTED

THIS VEHICLE IS ELIGIBLE FOR THE REMAINDER OF THE CHRYSLER CORPORATION FIVE YEAR/50,000 MILE WARRANTY AS FOLLOWS:

MILES

WHICHEVER COMES FIRST:

HERE'S HOW CHRYSLER ENGINE AND DRIVE TRAIN WARRANTY continues to protect your Chrysler Corporation warranty all of the following vital parts of this car for 50,000 miles or five years after delivery to the original purchaser, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, transmission case and internal parts (excluding manual clutch), fan and converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 4 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage.
