Employment

- Managers** Many listings in the classified "Men" or "Employment offered Women" are not intended to exclude or discourage applications for persons of either sex. Such listings are for the convenience of readers because some occupations tend to be more attractive to one sex than the other. Discrimination in employment because of sex is prohibited by the 1964 Civil Rights Act with certain exceptions where an employer has a bona fide occupational qualification for a particular job. Firms with less than 100 employees, etc., are exempt from this act.
