

talk about LOW prices

... Everybody DOES!

BUT *only* LUCKY GIVES YOU STORE-WIDE TOTAL DISCOUNTING!

... When one supermarket offers prices that are obviously lower day-in and day-out than any other market in the area people talk about it! ... This is exactly what is happening ... Most everybody has been talking about Lucky's lower store-wide discount pricing! Most markets talk and shout "low prices," but offer games, gimmicks and stamps instead ... If you compare prices, you'll find that Lucky is the only supermarket that gives you complete store-wide discounting on every item the law allows! ... If you're interested in top-quality at greater savings then shop at Lucky where everything you buy ... you buy for less everyday!
