PLAYS HOST TO

the BEAUTY and the BRONCO

With the excitement and joy of a new arrival, meet the Thunderbird '66. Designed with the Jet Set in mind, its luxurious features are stimulating and different. Driving this baby is like sliding on a silver lined cloud. If you're of the young at heart, the bird is the only way to fly...

With beast like strength and endurance, the Bronco has arrived! It's as strong as a bull, but handles like a kitten. It's four wheel drive allows the freedom of a mountain cat with the sureness and ease of this special breed. The Bronco—Ford's newest contribution to tame the wild—see it, drive it and you be the judge—
