IMPORTANT MESSAGE!

American Motors Sales Corporation and South Bay Rambler's goal is to make March, 1966, the best New Car Sales Month in their history. We both realize that to make this possible we will have to offer the buying public lower prices and higher trade allowances than has ever been done before. With this thought in mind, American Motors has: (1) Given us a Special Advertising allowance to make the public aware of this! (2) Agreed to give us a sizeable cash bonus for every new Rambler delivered in March over our normal quota!

HOW DOES THIS HELP YOU?

With the special assistance direct from American Motors in the form of cash rebates, it means that South Bay Rambler can actually sell a brand new '66 Rambler at invoice and still make a profit in doing so.

Don't miss this "SPECIAL PRICE BUSTING SALE" if you want the deal of your life!

To Qualify for these Low Prices, you must present this ad at time of purchase.
