

THE YMCA IN ACTION

Gary Holzhauser, YMCA delegate to the annual Model Legislature, walks down a Sacramento hallway during a recent session of the young lawmakers. Each year the young people from all parts of California meet to discuss legislation which they have prepared, often stealing a march on the politicians who came along later to consider the same matters.

Principals of Christianity Guide the 'Y'

The YMCA is a movement which helps youth to develop those Christian qualities which are essential to successful living. In a larger sense, the YMCA is a worldwide fellowship dedicated to the enrichment of life through the development of
