

'Heartful Thank You' Goes to Local Donors

A "heartful thank you" Sunday in 1965. All of the donations will be used by the and Walteria residents this Heart Association in reducing the risk of heart and circulatory disorders.

Mrs. Graef added that the money will go into various Heart Association programs, educating and protecting residents from two health men-

million American lives last year. A portion, she clarified, is "earmarked" for heart research and medicine.

DURING THIS month, she added, is further planning to promote Heart information and speaking programs throughout the area.

She also reminded residents who have not turned in their "Hearts to Heart" mail their kits and donations to the Heart Association's Southwestern office, 16811 Hawthorne Blvd., Lawndale.

She also requested that those who were not home during Heart Sunday week-end, Feb. 24-27, who received "Sorry We Missed You" envelopes, may also mail in their contributions to the local Heart office.

IT IS A WELL KNOWN FACT that anyone who enters politics subjects himself at times to the most vicious and unprincipled attacks. But if for this reason qualified and experienced people of integrity withdraw from public office they would leave the positions to the maneuverings of self-enriching opportunists.

MAYOR ALBERT ISEN has been the target of murky schemes and conspiracies, of poison pen letters and scurrilous literature sent anonymously by mail, and of slanderous lies and smears spread by word-of-mouth. Responsible for these attacks are unscrupulous politicians and moneyed private interests who would profit enormously by replacing Mayor Isen.

MAYOR ISEN'S ONLY OPPONENT already has a bad record on reasoning and other self-serving legislation. Official records give positive proof of his CONFLICT OF INTEREST.

Two years ago an informed Torrance electorate removed him from office.
