**Class Plans Sessions at Nature Camp**

John A. Spencer's sixth grade class at Calvary Baptist Elementary School of Gardena will be spending much of its classroom time outdoors the rest of this week.

Beginning today, the class will participate in the Baptist day school-sponsored nature camp at the Canyon Meadows Baptist Camp in the Lake Hughes area.

"Observing and Preserving God's Handiwork" will be the theme of the camping period; and will include a study of the geology of the region; a conservation lecture by Forest Ranger Don Overbaugh; and a nature walk led by Harry Abrahamson, associate superintendent of the Baptist Day Schools.

**HOUSEMOTHER** for the girls will be Mrs. Edna Potter, who will have a daughter in the class. Recreation activities include crafts, hikes, and organized games.

Spiritual activities will include morning devotions, memorized speeches by selected pupils, and evening prayer times in the cabins before bedtime.
