DO YOU DARE TO COMPARE?

Don't be shy, get behind the wheel of the TOYOTA CORONA — the hottest economy import sedan on the road today. Compare the Corona's 90 hp engine... the way it flashes to 90 mph... snaps 0-60 in 16 seconds flat. Compare its sportscar performance PLUS its amazing economy (owners report over 30 miles per gallon). Compare the way the Corona handles. The way it flattens the hills... passes the slow and peaky. The way it maneuvers and corners with sportscar ease. And, while you're at it, be sure to check the Corona's elegant 4-door styling. You'll like the spacious roominess and extra leg-room comfort. The Toyota comes with over 47 luxury features—features usually found only in far more expensive imports. You can even enjoy optional automatic transmission — a driving luxury the ladies love. Come in and test-drive the New Hot One today. Trade up to the coming champ in the sports-car, family car, economy field.
