California
life**

We have the sun, and that's free. And the mountains. And seashore. And the lush California fruits and vegetables and trees and plants. And, if you grow them yourself, they are free. And people flock here by the thousands because they like the natural wonders of California.

But, sooner or later, it takes money to really enjoy it all. You need to buy a swimming pool, or ski clothes, or a surfboard, or new plants to complete your landscaping. And that's when you need your "How-To" banker at First Western Bank.

Your good life and First Western go together. We will lend you money to buy things, pay you for saving your money, and help you spend it with a check. We'll help you manage your money while you are here, and see that it is distributed as you want after you are gone.

We at First Western love the California life, too... and we understand what it takes to enjoy it. Let's get to know each other better.

Fund Event**

Planned as a "kick-off" event for the Heart Fund month of February, a "farin-cr-style" pancake breakfast will be held by the Rebekahs and Oddfellows throughout District 98, which includes the Harbor and Torrance

Proceeds of the breakfast, to be held at the Independent Order of Oddfellows Lodge, 709 E. Compton Blvd. Compton, Feb. 7, will go to help fight the battle against the nation's number one killer—heart and circulatory disorders.

Various Rebekahs and Oddfellows throughout Los Angeles County, including those in the Southwestern Branch of the Los Angeles County Heart Area, are joining to collect funds during Heart Fund month, according to Mrs. Thomas Henriksen, San Pedro Heart Sunday chairman for Ocean Queen 58, District 98, and San Pedro Heart Sunday community chairman.

Further information is available by telephoning Mrs. Henriksen, TE 2-8376 or Mrs. Louise Smith, San Pedro Lodge, TE 2-5498.

**Bandit Robs
Market Clerk**

Clerk Derwin Riley had started to ring up the price of a loaf of bread and a carton of cigarettes in an all-night market.

The man who brought the items to the check-out stand about 2:30 a.m. last Wednesday had another idea, however. He said "This is a hold-up. Give me all of it... quick."

Riley told police later he gave the man about \$300 which the bandit placed in a sack with the bread and cigarettes. Riley was ordered to the rear of the store at 16920 Prairie Ave., then the bandit left on foot, police were told.
