Traffic

(Continued from Page 1) units joined in a few minutes later. The Torrance officer said he lost the fleeing motorist after he turned off onto Rosecrans Avenue, but other units continued the pursuit.

THE DRIVER was finally stopped more than half an hour after the chase began. Los Angeles police took Dool into custody. Torrance officers were in San Pedro this morning conferring with Harbor Division police about the charges to be set down against him.

Other traffic cases logged yesterday left six people with injuries, none of them believed to be serious.

Two-year-old Kathy Ann Kesselman of 21605 Vicki Ave. luckily escaped serious injury when she tumbled from an auto onto Sepulveda Boulevard in front of 2469 W. Sepulveda. The driver, William Edward Kesselman, 27, was making a left turn onto Sepulveda when the door of the small sedan flew open and the lot fell out.

A **TWO-CAR** collision near 3231 Torrance Boulevard sent five persons to Little Company of Mary Hospital for checking Tuesday afternoon.

Drivers of the vehicles were Robert Steven Storer, 21, of Long Beach, and Eileen Mildred Ayres, 43, of 1116 W. Fiat Passengers in the Ayres car taken to the hospital for checking with the two drivers included Gaylord Tonnef, 12; Kathleen Fogarty, 4; and Virginia Fogarty, 39, all of the Fiat address. None was injured seriously.

Ayer's Home Bakery Sets New Opening

Free coffee and doughnuts for adults and cookies for the kiddies will be the order of the day on Thursday, Friday, and Saturday as Ayer's Home Bakery celebrates the grand opening of its second bakery in the Normandie-Carson area.

Operated by Al Burke and his wife, Bea, the bakery's familiar location in the North Torrance Shopping Center at 190th Street and Anza Avenue will remain, the Burkes said.

The Burkes enjoy a wide popularity throughout the area, and have been active in a number of groups and organizations.

Burke is a sailing enthusiast and an active member of the Coast Guard Auxiliary of the Eleventh District. He recently was cited for rookie of the year honors by the Auxiliary.

He skipped the Queen Bea 2 (named for his wife) in last Sunday's King Harbor Yacht Club regatta.

Burke is past noble grand of the Hollenbeck Lodge of the Independent Order of Odd Fellows and Mrs. Burke is past noble grand of the Rebekahs.

Their new bakery at Carson and Normandie features a coffee bar, eight tables, and a wide choice of pastries for that coffee break.

Make a pretty Valentine dessert or salad by adding canned cling peach slices and chopped maraschino cherries to cherry gelatin. Chill in heart-shaped molds and decorate with a ruffle of whipped cream. It's a real treat

'Job Corps'

(Continued from Page 1) er, to coordinate the program. Smith will devote about eight hours each week, as needed, to the new duties.

The board also approved the hiring of 37 students to begin the program. To be eligible, students must be enrolled in school, at least 16 years of age, and come from families where the annual income is \$4,000 or less.

ALL COSTS of the program are to be paid by the federal government and funds reportedly are available immediately. Dr. J. H. Hull, superintendent of schools, told trustees he was willing to recommend approval of the program only if reimbursements from the government were immediate.

The superintendent also said he would recommend the program be abolished if the district had to meet expenses pending reimbursement from the government.

District officials say the program may include up to 100 students if the first phase is successful. The students will work in the high schools and at the district offices at such jobs as gardening, typing and mechanical work. Students will be paid at the rate of \$1.27 per hour.

Council

(Continued from Page 1) America. The yellow zone was requested by the Torrance School District.

IN OTHER matters, the council:

- Accepted the improvements of Del Amo Boulevard between Hawthorne Avenue and Madrona Avenue as complete. Final cost of the project was \$72,539.37. It was financed with gas tax funds.
- Adopted a resolution opposing the imposition of any taxes to finance the Southern California Rapid Transit District without a vote of the district's taxpayers.
- Approved a mutual assistance agreement between the city and the Los Angeles County Fire Department.
- Awarded a contract for the construction of storm drains in Victor Tract to H. N. Hanson Construction Co. The firm submitted a bid of \$21,542.94.

Expenditures for "Research and development" were 570 million dollars annually 25 years ago in the United States. Since then they have multiplied 35-fold and today are seven billion dollars larger than the 1941 federal budget!

Population

(Continued from Page 1) was attributed to annexations during 1964 which netted the city nearly 12,000 new residents.

GLENDALE, the county's third largest city, had a population of 132,436. The increase was equal to 2 per cent, less than a third this city's growth rate during the year.

Continued growth in Torrance during 1965 will mean the city will move into the third spot before the end of the year.

The major increases in Torrance were reported in the central and southern sections of the city, where population has climbed from 70,000 in 1962 to more than 93,600 as of Jan. 1. The city now has nearly 40,000 dwelling units, according to the report.

Population estimates for other area cities include: El Segundo, 16,223; Gardena, 43,925; Hawthorne, 45,002; Hermosa Beach, 17,785; Lawndale, 25,863; Lomita, 19,553; Palos Verdes Estates, 12,109; Redondo Beach, 54,772; Rolling Hills, 1,954 and Rolling Hills Estates, 5,168.

Joseph's Challenges To Be Told

The dramatic account from the Book of Genesis telling how Joseph met the many challenges to his trust in God through the years will be heard in detail on Sunday at Christian Science churches in the Bible Lesson entitled "Soul."

The Golden Text is from Psalms (99:9): "Exalt the Lord our God, and worship at his holy hill; for the Lord our God is holy."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be heard, and will include this: "Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul."

Old-fashioned high ceilings can be handsomely lowered with wood decking and false beams. Decking and beams may be Douglas fir.

Local Man Wins Delayed Harbor Park Lake Regatta

After two weeks' delay due to poor wind conditions, the senior competition of the First Annual Sailing Regatta was held at Wilmington's Harbor Park Lake, Vermont Avenue and Pacific Coast Highway, Saturday, Jan. 30, the Los Angeles City Recreation and Parks Department reported yesterday.

Despite the long postponement, the competition resulted in tight finishes, according to Dick Fletcher, senior aquatics director for the Department. David Draper of Torrance was winner of the men's lee board race, defeating another Torrance man, Robert Thompson. San Pedro's Jan Brill placed third, and Mann Switko of Granada Hills and Robert Wagner of Van Nuys tied for fourth place.

ON THE DISTAFF side, South Pasadena's Carolyn Miller bested Rowena Thompson of Torrance, Frances Gagnon of Gardena, and Son-

ya Balkman of San Pedro. Miss Gagon, third place finisher of the lee board race, returned later to beat Miss Miller in the women's dagger board competition. The lee board champion and Kathryn Brill were tied for second in the women's dagger board race.

Ward Kindred of Temple City won the men's dagger board contest, the only race held on the original date, Jan. 16, before the wind slackened. Two Los Angeles entrants, Tom Scandlyn and Jerry Jarvis, placed second and third.

Trophies were awarded to the winners, while second, third and fourth place finishers received Departmental ribbons.

Western red cedar grows chiefly in the Pacific Northwest and inland to the slopes of the Rocky Mountains. It is easily identified by its stringy, fibrous bark and buttressed base.

His '65 Ford rides quieter... than his Rolls-Royce

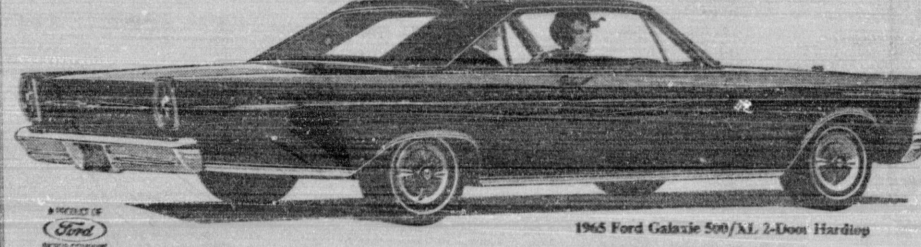

Tests proved it.* Does this mean Ford now rivals one of the world's most wanted luxury cars? Hardly! But these tests do mean plenty—to you—if you're shopping for a popular-priced car. They prove Ford has outstanding strength, design, quality. Compare Ford, in every way, with everything in its class . . .

- Trunk holds four 2-suiters standing upright, and more.
- Test Ford's new power
- Big, new 289-cu. in. V-8 standard in XL's and LTD's
- New Big Six—biggest Six in any car. Test-drive a '65 Ford!

- Feel Ford's solid quality
- 100% new body—strongest ever on a Ford.
- New frame "tunes out" vibration.
- New suspension puts a big ultrasoft coil spring at each wheel.
- Inspect Ford's luxurious new LTD models
- Decorative interiors, thick nylon carpeting.
- Walnutlike vinyl inserts on doors and instrument panel.
- Rear-seat center arm rests, five ash trays (4-door hardtops), padded instrument panel, and more.
- Relax in Ford's spacious interiors
- Swept-back instrument panel, lower transmission hump.

*Leading technical consultants conducted tests in which 1965 Ford (Galaxie 500 Sedan, XL and LTD Hardtop) with 289-cu. in. V-8 engine and automatic transmission rode quieter than a new Rolls-Royce. These tests were certified by the U.S. Auto Club.

Best year yet to go Ford!
