

Marriage Lectures Continue

Dr. Barney Katz will continue a series of lectures on the general theme "You Can Have a Better Marriage" tomorrow evening in the Redondo Union High School auditorium.

The lectures are sponsored by the South Bay Adult School and will be given each Monday through March 8. Tomorrow's subject is "Companionship and Marriage."

Dr. Katz received his doctorate at the University of Southern California and has been a lecturer and consulting psychologist since receiving his degree. He is the author of several books on marriage and is listed in "Who's Who in the West."

Tickets for the program, which begins at 7:30, may be purchased at the door.

Nine Get U.S. Steel Citations

Nine employes of the Torrance Works of United States Steel Corp. have been saluted for their combined 300 years of steelmaking know-how.

The veteran steelmen were guests at a special luncheon at the Palms Restaurant. Works superintendent William G. Davis was host.

Topping the list with a 45-year career that began in the "horse-and-buggy" days was James W. Stewart of 23701 S. Western Ave. Stewart first began working in the steel industry at the Lewellyn Iron Works, early forerunner of the present U. S. Steel operation in Torrance.

STEWART, who first reported to work in 1920, has held a number of posts in the open hearth, rolling mill, and plant protection sections.

Edward Tola, 517 W. 105th St., Los Angeles, and George Schmid, 1633 Elm Ave., were honored for 40 years of service. Tola is from the rolling mill section, while Schmid is assistant manager of accounting.

Also cited by Davis for "contributions of talent and experience in making quality steel products and the Torrance plant an even better place to work" were John T. Oursler, 4101 Via Candelina, Palos Verdes Estates, and Daniel S. Maine, 2325 Sierra Ave.

BOTH ARE 35-year veterans. Maine is employed in the accounting department, while Oursler works in the open hearth section.

Three men were honored for 30 year careers. They were: William Taylor, production planning, 1603 W. 223rd St.; Paul I. Artac, rolling mill, 21129 S. Adriatic Ave., Long Beach, and Frank De La Rose, rolling mill, 16015 Brighton Ave., Gardena.

John F. Rice, manager of accounting, was cited for a quarter of a century of service. He resides at 361 Silvers Ave., Long Beach.

Girl Scouts Plan Annual Cookie Drive

The South Bay Council of Girl Scouts will join councils throughout the United States for the Girl Scout cookie sale beginning Feb. 19 and continuing through March 4.

The annual fund raising event provides money for general operating expenses. This includes the upkeep of Girl Scout camps, training for adult volunteers, registration fees, and other expenses involved in the Girl Scout program.

The purpose of scouting is to develop girls' highest potentials so they become loyal citizens and happy resourceful individuals of service to their community and nation.

GONORRHEA LEADS
Five cases of gonorrhoea and one case each of encephalitis and syphilis were reported from the Torrance area for the week ending Jan. 30 according to the Los Angeles County Health Department.
