Industrial Arts Group Meets Here

More than 200 members of the Los Angeles County Industrial Education Association have concluded a meeting at South High School. The South High industrial arts department was host for the dinner and meeting. Instructors Warren Cross, William Derrickson, Charles Dripps, William Maley, Deibert Peckum, and Roland Smith conducted tours of the South High facilities. Dr. John A. Lucas, South High principal, and Dr. J. H. Hull, superintendent of Torrance schools, attended the meeting. Members of the organization celebrated "do-it-yourself night" by constructing small portable book easels. The association, composed of educators and industrial leaders, discusses current trends in the area of industrial arts and keeps members informed on current practices.

Students to Be Presented At El Camino

A classical concert by oboist and pianist Christopher Haffenden and soprano Carol Neblett will be presented by the El Camino College Music Department Friday, at 8:30 p.m., in the campus theater without admission charge. Haffenden, a sophomore at El Camino and a graduate of North High School has played oboe with the Compton Civic Symphony Youth Orchestra and the Long Beach City College Orchestra. He is currently performing with the Long Beach Symphony. A lyric soprano, Miss Neblett is a graduate of Redondo High School and is in her first year at El Camino. She appeared in the leading role in four high school operettas and performed the female lead in "The Mouse That Roared." The program will include Haffenden's presentation of "Sonata for Oboe in B Flat Major" by Handel and "Concerto for Oboe in D Major" by Richard Strauss. His piano selections will be from the works of Debussy. Miss Neblett will offer Brahms' "Der Schied" and "Sonntag" and a selection of Greek folk songs. Her accompanist will be Anita Schocken.
