Red Cross Sets Baby Care Class

A Red Cross "Mother and Baby Care" course will begin at Torrance High School, 2200 Carson St., March 16.

The seven session class, scheduled on consecutive Tuesdays and Thursdays, from 7:30 to 9:30 p.m. will be instructed by a specially trained registered nurse.

Expectant parents have found the Red Cross course valuable in developing needed confidence. One young mother wrote the following letter.

"The purpose of my writing this letter is not only to announce the birth of our son, but also to tell you how much I have come to appreciate your course in the past month and a half.

"I also want you to know that the delivery was very easy—it seemed like the course gave me the confidence I needed to cooperate with the doctor because I knew at every moment just what was happening.

"My husband joins me in thanking you very much and we want you to know that we recommend your course very highly."

Expectant parents who wish to take advantage of the free training offered may enroll by calling the Red Cross, TE 2-8321.
