

MISS THRIFTY... Charlotte Stewart, dubbed "Miss Thrifty" for the event, posts a sign calling attention to savings offered by Thrifty Drug Stores during the firm's once-a-year sales event celebrated as Thrifty Week. The special sale begins today and will continue through March 16.

'Thrifty Week' Sale Begins At All Thrifty Drug Stores

Thrifty Drug Stores, Inc., will launch its annual "Thrifty Week" sale today in all 252 stores of the drug-junior variety chain. The sale will continue through March 16.

Every department of the store will feature special prices on merchandise which Thrifty buyers have acquired during the past few months. Special "Thrifty Week" price tags on such items as nylon shell blouses, pastel stone pins and earrings, and cardigan sweaters mark Ladies Department items being featured.

Hahn Urges \$35 to File Nuisance Suit

Supervisor Kenneth Hahn this week moved to discourage the filing of "nuisance" suits in the Superior Court by suggesting that the minimum filing fee be raised to at least \$35.

"It is common knowledge that many times 'nuisance' suits with serious allegations and sensational charges are filed in court strictly for the publicity or political value during election campaigns," Hahn said.

Hawthorne Firm Sets New Record

Vernon D. Herbst, executive vice president of Hawthorne Financial Corp., has reported record earnings and profits for the firm during the year ended Dec. 31, 1964.

Net earnings, after federal taxes, were \$975,985, against \$961,382 for the 1963 calendar year. Assets of the corporation at year end totaled \$66,224,653, an increase of nearly \$15 million during the year.

Earnings per share increased by 12.4 per cent, reaching \$1.42 per share after an adjustment for a 5 per cent dividend paid in February 1964.

Scholarship Examination Slated Here

Forty Torrance High School students will take the 1965 National Merit Scholarship Qualifying Test Saturday, according to Dr. Carl R. Ahee, principal.

The three-hour examination will be given in the main cafeteria. Students who wish to be considered for 1966 merit scholarships should take the examination, Dr. Ahee said.

Test scores will be reported to the schools by mid-May. The test is the first step in the competition for 1966 college grants and scholarships under the National Merit Scholarship Corp. program.
