

Chamber Begins Search For Pioneer Businesses

A list of Torrance firms which have been in business for 50 years or more is now being compiled by the Torrance Chamber of Commerce, according to J. Walker Owens, chamber manager.

All citizens and businessmen who have information on firms meeting the 50-year qualification have been asked to communicate with the chamber offices at 1510 Cravens Ave., or telephone Owens at 328-2814.

Owens said long-time residents of the city can be especially helpful in the project if they will inform the chamber of any firms which they believe meet the criteria.

The chamber plans to recognize and honor the long-established firms. More specific plans will be announced when the list has been completed.

USE AS PRESCRIBED

A prescription drug should be used only by the patient for whom prescribed, and for the illness prescribed. Improperly used drugs can be harmful.

Rabbi Unger To Speak on Radio Panel

Rabbi Jerome A. Unger, spiritual leader of Temple Menorah, 1101 Camino Real, Redondo Beach, will speak on "Religion on the Line," to be broadcast on KABC radio Sunday from 7:30 until 9 p.m.

Participating with Rabbi Unger will be the Rev. Ogden Hoffman, executive director of the Department of Christian Education for the Episcopal Diocese of Los Angeles.

The two men will discuss numerous issues facing the church and society today and answer questions from the listening audience.

DR. IRA E. MCBRIDE To Speak Here

Central Evangelical Church Begins Series of Services

Central Evangelical United Brethren Church will begin a series of evening inspirational services Sunday at 7:30. The meetings will continue through Sunday, April 4.

Services have been planned by the Evangelistic Committee of the church.

Speakers during the week will include the Rev. Dr. Ira E. McBride, for many years a missionary in Northern Nigeria; the Rev. Wendell Jones of the Norwalk Central Evangelical United Brethren Church; the Rev. Walter M. Stanton, pastor of the local church, and the Rev. O. Wilbur Fish of Santa Ana.

Prayer will be held at 7:15 each evening. Music for the meetings will be under the direction of Carl Pisel and laymen will preside and introduce the speakers each evening.

Dr. McBride has served in Africa since 1923. He began his work among some of Nigeria's most primitive people and reduced their language to writing.

From 1934 until 1955, Dr. McBride served as superintendent of all Nigerian missions for the Evangelical United Brethren Church.

Rev. and Mrs. McBride now make their home in Redondo Beach.

Volunteer Leaders Ask Return of Heart Kits

Heart Sunday volunteers were urged this week to turn in all outstanding kits "as soon as possible" to the Southwestern Branch of the Los Angeles County Heart Association, 16811 Hawthorne Blvd., Lawndale.

Southwestern Branch Heart Sunday co-chairman, Mrs. Dean Gardner, 5334 Corning Ave., Los Angeles 56; and Mrs. Adrian McCowan, 6 Hakamore Road, Rolling Hills, jointly issued the request. The two Heart Sunday leaders expressed gratitude over the "wonderful volunteer effort put forth over the Feb. 25-28 Heart Sunday Weekend."

The two, because of the "tremendous" all-around help received in the Southwestern Branch, predicted a final figure in Heart Sunday returns which "will set a new record for the area that covers the Centinela and Gardena Valleys, South Bay, and the Torrance-Harbor areas." The leaders indicated a round-up report would be issued at the end of the month.

It also was requested that residents who were not home on Heart Sunday, Feb. 28, and received "Sorry We Missed You" envelopes may mail their contributions.

"In the interest of having this report represent all Heart Sunday contributions made by residents throughout the area, we urge every volunteer to please turn in any outstanding kits this week," they concluded.

WATCH FOR BURNS

Such common and useful items as household ammonia and laundry bleaches can cause burns or other injuries if misused. The labels on these products, as required by Federal law, bear warnings and other information to help you use them safely. Remember, too, that ammonia and bleaches should not be mixed.
