SPECIAL 1962 FORD F-250 LONG BED
 Automatic transmission, heater. As is special **\$999**

Next week we may not have a single used car worth selling.

We get all kinds of cars as trade-ins. Buicks, Ramblers, Edsels, Darts, VVs. But that doesn't mean they're going to end up on our used car lot.

Before we sell a used car, we put it through a tough 16-point safety and performance test.

Our mechanics check every one, bumper to bumper, inside and out.

They test the cylinder compression, carburetor, wiring, steering, suspension, transmission, plugs, points, the works.

When a car passes, we clean it, polish it and put it up for sale. And we guarantee 100% the repair or replacement of all major mechanical parts* for 30 days or 1,000 miles.

If a car flunks, it won't be here. We figure, if a car's not worth selling, it's not worth putting up for sale.

Which is why sometimes we end up with more customers than cars.

Over 100 — Fully guaranteed Volkswagen in stock. All year's. All mechanical perfect. Good, inside & out.

Large selection of New and Used Cars **1199** As low as.

Many DOMESTIC CARS to choose from. Popular models — color. Priced to sell.
