Health Topic Of Science Bible Lesson

The effect of our thinking on our health will be examined in this Sunday's Bible Lesson to be read at all Christian Science churches. The subject is "Are Sin, Disease, and Death Real?"

The responsive reading for the day begins with a verse from Isaiah: "Behold I create new heavens and a new earth, and the former shall not be remembered, nor come into mind."

Related passages will be presented from the Christian Science textbook, including these lines: "Instead of God sending sickness and death, He destroys them, and brings to light immortality."

When Christ changes a belief of sin or of sickness into a better belief, then belief melts into spiritual understanding, and sin, disease, and death disappear. Science and Health with Key to the Scriptures by Mary Baker Eddy, pp. 206, 442.
