

Montgomery Ace Irl Davis Hurls Second No-Hit Game

Knights Remain Unscored Upon

Irl Davis, the calm Bishop Montgomery High pitching ace, hurled his second straight no-hit, no-run game against St. John Vianney yesterday on the winner's field.

The triumphant Knights blanked their fourth straight Camino Real League opponent in the process, 4-0. Montgomery holds victories over St. Monica's, 2-0, and St. Bernard's, 2-0, and last week went eight innings against Pater Noster, 0-0. Besides Davis' two shutouts, Tom Thomson had 15 innings of scoreless pitching. Both are juniors.

Davis, a breaking ball pitcher who has been with the varsity since his freshman year, has developed a strong fast ball and used it to good advantage in striking out 15 Vianney batters.

Davis retired the first 13 batters, gave up a walk and found himself with runners on second and third with one away in the fifth on an error. Irl came back to fan the next two to get out of the jam.

Montgomery scored in four innings. Gary Nessosen walked and scored on an over-throw in the first; Dave Hunt singled home Chuck Bongard in the third; Mike Gray doubled home Davis in the fourth; and Nelson Straley and Joe Pickett singled for a run in the sixth.

In 14 innings of hitless, runless pitching, Davis has allowed six bases on balls, 22 strikeouts and one wild pitch. He has not given up an extra base hit.

Montgomery plays Fermin Lassen on Friday and has a makeup game against Crespi on Saturday.

Montgomery is tied with Pater Noster in first place with 3-0 records.

Score by innings: R H E St. John Vianney, 000 0-0 0 3 Bishop Montgomery, 101 101 2-4 8 1 Morrow and McIlroy; Davis and Straley.

Girls' Swim Team Excels at El Camino

"When you're behind, you just have to swim a little faster."

This is the motto of the El Camino College women's swim team which boasts a 3-0 season record.

The team competes within its own "conference," which differs from the regular Metropolitan Conference governing men's sports.

The women's team faces Pasadena City College, Orange Coast College, Fullerton College, Los Angeles Valley College, Los Angeles City College and Santa Monica City College.

El Camino meets each school twice during the year and climaxes the season with a state meet on May 11. This year the state championships will be held at El Camino.

"The team is really looking forward to the state finals," Kay Torres, team instructor said.

"We feel we are the best in this area and should do well at the end of the year," she added.

Mrs. Torres contends fine team spirit has been one of the most important elements in the team's success, but another contributing factor seems to be El Camino has a good swimmer in each event plus combined talents in the relays.

"We have only nine girls for nine events but they are all very consistent swimmers," Mrs. Torres explained.

The women's swim team is for girls of proven ability. Any girl who is able to make

The team is eligible, but the physical conditioning and de-competition is tough, it is pointed out.

The racing distances are shorter than AAU specifications, but the rigorous competition still offers the girls an excellent opportunity for

Other members of the team are Kim Baker, Pamela Douglas, Jeffri Joseph, Stefanie Koren, Lynn O'Day, Sandy Coffee, Suzanne Klein and Mary Sullivan.

Long Beach CC Tumbles Warriors in Gymnastics

Rest is in store for the El Camino College gymnastic team until April 29, when East Los Angeles College closes Metro conference action at ECC.

The Warriors' record dipped to 1-2 in conference competition Thursday, when they lost a dual meet to Long Beach 81½ to 77½.

A first place finish by Terry Titus in tumbling was not enough as Long Beach captured the second and third places in the final event for the victory.

Roger Baldwin and Roger Gorman again provided the Warriors with a potent attack. Baldwin accounted for 22 points and Gorman 20.

Baldwin took a first on the parallel bars and in all-around competition and a second in the rope climb and long horse.

Warm-up qualifying trials start the program at 7 p.m.

Wet Course Cancels Track Meet

Rainy weather was responsible for the postponement of the El Camino-Cerritos track meet Friday, but the poor climate gave several injured Warriors some needed rest before they take on East Los Angeles College this Friday at 2:30 p.m. on the Warrior oval.

El Camino Falls 2 Games Behind

Rains came too late for the El Camino baseball team last week as the Warriors suffered an 8-7 loss to Long Beach College.

Now 6-2 in conference play, the Warriors meet Bakersfield at home Friday in conference play.

Long Beach Southpaw Paul Metz pitched six shutout innings before the Warriors could touch him.

In the top of the ninth inning, Long Beach pushed over its seventh unearned run, extending the score to 8-1.

El Camino went on the rampage in the bottom of the ninth. After two quick outs, the Warriors chased de Metz on two hits and three free passes, scoring four runs.

Long Beach went to its bullpen, but fireman Jack Ralston was knocked around for three hits and two more runs before he caught Cooper looking at a third strike to end the game at 8-7.

In the game El Camino shortstop Carey Hubert ripped two singles in four trips to the plate, hitting his league average to 389.

South Loses By 2-1

The Bay League baseball race is going to be just like last year. First place is not a very safe place.

South High, resting on top since the start of the rain with a 4-1 record, was knocked down a notch by Santa Monica yesterday, 2-1.

When Samohi and South return to action tomorrow they will both have 4-2 records.

Redondo upped its record to 5-3 with a 10-0 shutout over Hawthorne.

Rolling Hills (3-4) downed Palos Verdes (1-7) by a 2-1 count yesterday. Palos Verdes finished second last year, a game behind Redondo which won with a 10-5 record.

In the Sky League yesterday North suffered its first loss to Inglewood, 4-1. Morning-side downed wireless Leuzinger, 9-1, while Culver City edged Beverly Hills, 3-2.

North plays at Morangside on Thursday.

Torrance, West Games Postponed

The Pioneer League games involving Torrance and West High were postponed from yesterday's schedule due to wet grounds.

An attempt to play the Aviation-West game at Aviation High today was reported.

Tomorrow West is scheduled to play the Torrance Tartars at Torrance Park.

Torrance is also scheduled to makeup its game against El Segundo on Friday.

Other games which will have to be scheduled at a later date are the West-El Segundo game rained out last Thursday, and the Torrance-Lennox contest canceled out the same day.

The Southland's first annual "soccer safari," out to capture a future of big time soccer for the United States, will be held at Rancho Cienega Playground, La Brea and Rodeo Road, Los Angeles, on Saturday at 1:30 p.m.

Officials of the progressive American Youth Soccer Organization have compiled an ambitious, far-reaching program designed to Americanize the sport of soccer, recognized as one of the leading physical fitness sports.

The program, already un-

der way in Torrance, West Los Angeles and Culver City, is scheduled to include the San Gabriel Valley, Hollywood, Glendale and other areas by next season.

At the Rancho Safari, leader Hens Stierle and his pith-helmeted "hunters" will show the public, free of charge, the AYSO in action.

CAREY HUBERT . . . Former North High ball player is batting .100 at El Camino College. He plans to make a career of baseball.

NORTH GRAD

Baseball Career Eyed by Hubert

Is football or baseball more important? That's the question El Camino shortstop Carey Hubert was called upon to answer the other day.

Hubert answered simply this way: "After a season of football at the University of California at Berkeley, I just decided that baseball was my sport."

Before the baseball season began, Hubert had to cope with a serious problem. Through a fattening-up period for football, he weighed 265 pounds. It took several weeks for the 5'10" freshman to get down to a 170-pound baseball weight.

Baseball is not a new sport for the North High grad. "I started playing organized ball in Little League at the age of eight," he remarked.

In four years of high school competition, Hubert named all-league three times.

This year he is playing shortstop. At North he worked his way for a 12-4 pitching record.

In pre-season action at El Camino, Hubert batted .293 in 41 times at bat. Now it has jumped to .400. In three years of high school ball, he hit over .400 as well.

It is suspected that major league scouts have been keeping up on the activities of the Warrior athlete, but if they want to sign him right away, they may find it difficult.

"I'd like to get my education, but if the price is right, it might mean going to school in the off-season in order to join professional baseball," he said.

The Sportsmen's Vacation Show, the nation's largest and most complete "showcase" of recreation equipment, opened last week and will continue through Sunday.

Producer H. Werner Buck has assembled \$10,000,000 worth of the latest in camping gear, guns, boats, fishing

tackle, and a large assortment of sporting goods. Booths displaying these products cover more than 300,000 square feet of space.

"The basic aim of our show is to aid the family to plan a vacation or recreation program," Buck said.

Travel information about South Africa, Canada, Baja California, and almost any state in the Union, or, for that matter, a Safari for Bengal tiger in India, is available at the Sportsmen's Show.

Buck points out, however, that there also are many resort areas within short driving range of Los Angeles with booths at the Show. These include Kern River Valley and Lake Isabella, Lake Henshaw, Ventura County and Lake Casitas, Big Bear Valley and lake and various recreational communities along the Colorado River.

Many of the exhibitors show color motion pictures and slides of the natural wonders in their special resort areas.

Show hours are from 6 p.m. to 11 p.m. on opening day, 2 p.m. to 11 p.m. on week days, noon to 11 p.m. on Saturdays, and noon to 10 p.m. on Sundays.

Argo Kid gets a chance to redeem himself for last week's startling fifth-place setback when he tops a field of six possible starters in the \$20,000 California Trot tomorrow at Santa Anita.

The Californian tops the closing day program of the 20-day spring season at Santa Anita. First post for the nine-race card will be 1:30 p.m.
