Marymount to Present 'Skin of Our Teeth'

Thornton Wilder's award-winning drama, "The Skin of Our Teeth," has been scheduled as the major spring production of the Marymount College Theatre Arts Department on April 29 and 30, and May 2. Directed by Miss Virginia Barnelle, head of the college Fine Arts Department, the leading role of Sabina will be portrayed by Kristi Ann Snyder, a member of the senior class. Other students taking part in the production include Judith Burdette, Jacqueline Wagner, Mary Ellen Rowan, (Political Advertisement)

Mary Miller, Antoinette Campos and Kathy Arman. Male roles will be filled by guest artists George Mantzias, who has played leading roles in Marymount College productions for the past 10 years, and Larry Reed, a member of the Director's Laboratory in the Marymount Extension Division. He is a member of the Los Angeles Shakespearean Repertory Co.

THE WILDER PLAY, in which Tallulah Bankhead and Frederic March starred on Broadway, is the story of the troubles of the human race from prehistoric eras to the present. It is a combination of farce and philosophical study. Stage manager for "Skin of Our Teeth" will be Patricia Kelly, assisted by Alexis Coakley. Curtain for the three performances will be at 8:30 p.m. nightly in the Pro Tem Theatre on the Palos Verdes Estates Campus.
