

WINS GRANT . . . Linda Wood, a senior at North High, has won the Mattel Business Scholarship for 1965. Miss Wood, 18, is now taking time from her studies to rehearse for one of the leading roles in "Li'l Abner," this year's senior class play at North.

Boy Gets Second Go At Life

While it is said that cats have nine lives, an Inglewood six-year-old named Mark Brand, 340 W. Regent St., can claim that he is the proud owner of two lives after Inglewood firemen gave him a new one when he fell in an unguarded swimming pool last month.

Two Inglewood firemen were able to give Mark his second life after using the techniques of closed chest cardiac resuscitation, learned at a special training session offered to Inglewood firemen last month by the Southwestern Branch of the Los Angeles County Heart Association.

Thanks to their newly learned knowledge, taught to them by Dr. Walter L. Johnson of Inglewood, and Dr. Richard J. Lescoe, Torrance, Mark is able to live his second life.

The Inglewood Fire Department is not the only group that is able to put into practice closed chest cardiac resuscitation since this life-saving course is being taught throughout the Southwestern Branch of the Los Angeles County Heart Assn.

Information on the program, which is available to firemen, ambulance drivers, nurses and other qualified rescue, safety and hospital personnel, may be obtained from the Southwestern Branch, 16811 Hawthorne Blvd., Lawndale, or by telephoning 371-5591.

Marymount Sets Classes For Summer

Arden von Dewitz, award-winning artist who this year joined the art department staff at Marymount College, will offer a course in marine and landscape painting during the June 21 to July 30 summer session at Marymount.

The class, for which two units of credit will be given, will consist primarily of location work covering a study of composition, perspective, the effective use of color and the development of personal creativeness.

Also listed for the sixweek session will be The History of Furniture, taught by Sister Charles, and British and American Authors, as well as The English Novel, with Sister Stephen as the instructor.

Other classes are The Age of the Revolutions and Contemporary Europe, Sister Sabina as instructor, and Psychological Foundations, Sister Peter Damian as instructor.

A special course in Speed Reading for adults and children 11 years and older is also on the summer schedule.

CHILDREN'S classes will include Spanish for Children and French for Children, with Sister Carmel Marie and M. Josephine as teachers. Ages are 6 to 12, and classes will meet from 9:30 a.m. to 11. A limited number will be accepted for each group. Complete details for the summer term, at which a total of six units of fully transferable credit may be earned, can be obtained from the director of summer sessions on the Palos Verdes Estates campus.
