New Wing Open At Bay Harbor

Public service, watchword of the Bay Harbor Hospital since its opening in June, 1960, will be stressed today during an open house and dedication ceremony marking completion of an \$800,000 addition to hospital facilities. Guided tours of the new 45-bed wing, x-ray laboratory, and business offices will be conducted from 10:30 a. m. until 3 p. m. Members of the Bay Harbor Hospital Guild will serve refreshments following the tours.

A program scheduled to begin at 3 o'clock will trace the history of the hospital, as well as honor special guests and past leaders of the institution. Special guests will include Assemblyman Vincent Thomas, who was honorary fund drive director when the hospital was built; Los Angeles Mayor Samuel W. Yorty; Councilman John S. Gibson Jr. of the 15th District; Supervisor Chairman Burton W. Chace, and Congressman Alphonzo Bell.

Dr. Merle Boyce of Redondo Beach will direct the program.

FIRST OPENED IN 1960, the initial 50-bed facility was built with tax monies paying two-thirds of the costs under the Hill-Burton Act. Local residents raised one-third of the cost of the original building and funds for the six-acre site, located at 1437 Lomita Blvd., Harbor City.

Growth of the hospital was so rapid that work was begun in 1963 toward an expansion of the facilities to double the original size. A non-paid Board of Directors governs the hospital.

Funds for the new facility were obtained under a bond loan and will be repaid from hospital earnings.

NEW EQUIPMENT in the facility includes expanded blood bank facilities and a Coulter Counter in laboratory. The x-ray equipment is among the finest made in the United States.

Bible Prophecy Series Set at Harbor Church

A series of sermons on Bible prophecy will be introduced at the Assembly of God Harbor Church, 1032 W. Pacific Coast Hwy., tonight at 7 by the Rev. Robert Pruett, pastor. Tonight's subject will be "Survival" and the public is welcome.

"The Thing I Most Fear" is the 11 a. m. sermon topic, with special music by John Leverett and the Harbor Trio. Nursery is provided.

NEW EQUIPMENT . . . Dr. Theodore Buzanis, M.D., Chief of Staff at Bay Harbor Hospital, gets a demonstration of the new Coulter Counter used in blood tests from Jean Dye, laboratory technician. The new laboratory is part of an \$800,000 addition to be dedicated today.

HOW'S THIS FOR SIZE . . . Checking out one of the two rocking chairs to be used in the Bay Harbor Hospital pediatric department are Dr. Theodore Buzanis, M.D. (seated) chief of staff, and Dr. Chesley Houske, M.D., of Torrance. The new children's ward will be dedicated today in special ceremonies at the hospital.

Lt. Col. Harry R. Dexter, whose wife, Virginia, is the daughter of Mr. and Mrs. John Hall of 21107 Ladeene St., was a member of the U.S. Air Force component which participated in Exercise Log Train, a Southeast Asia Treaty Organization (SEATO) command post training operation in Thailand.
